Payment is not dependent upon completion of any implementation or other services. If applicable, fees for non-recurring services will be invoiced by SAP on a one-time basis and paid by Customer upon commencement of the first Product Start Date, indicated on the Order Form. Customer shall reimburse SAP for all appropriately documented travel and related expenses pre-approved by Customer and incurred by SAP in performing support for Cloud Services.

If Customer does not pay fees in accordance with the terms of the Agreement then, in addition to any other available remedies, SAP may suspend Customer's use of the applicable Cloud Service until payment is made. SAP shall provide Customer with prior written notice of suspension.

The parties are independent contractors, and no partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties is created by the Agreement.

13.9. Force Majeure

Neither party shall be held responsible (other than for the payment of amounts due hereunder) if the fulfilment of any terms or provisions of this Agreement are delayed or prevented by revolutions or other disorders, wars, acts of enemies, strikes, fires, floods, acts of God, or without limiting the foregoing, by any other cause not within the control of the party whose performance is interfered with, and which exercise of reasonable diligence, the party is unable to prevent, whether of the class of causes herein enumerated or not.

In the event conditions beyond the performing party's reasonable control render the Cloud Service unavailable for more than 30 consecutive days, the other party may terminate the Agreement upon written notice to the

performing party (in which case Customer will receive a refund of prepaid unused fees starting from the beginning of the period of unavailability due to such conditions).

13.10. Governing Law

The Agreement and any claims (including any non-contractual claims) arising out of or in connection with this Agreement and its subject matter will be governed by and construed under the laws of England and Wales. The United Nations Convention on Contracts for the International Sale of Goods and any conflicts of law principles and the Uniform Computer Information Transactions Act (where enacted) will not apply to the Agreement.

13.11. Jurisdiction and Mandatory Venue

The parties submit to the exclusive jurisdiction of the courts located in London, England. The parties waive any objections to the venue or jurisdictions identified in this provision.

13.12. Statute of Limitation

Except for claim(s) as to ownership or title to intellectual property rights, breach of the protections of the Confidential Information, the right of SAP to bring suit for payments due hereunder, or a party's failure to provide the indemnity obligations herein and its subject matter, either party must initiate a cause of action for any claim(s) relating to the Agreement and its subject matter within 1 year from the date when the party knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

13.13. Entire Agreement

The Agreement constitutes the complete and exclusive statement of the agreement between SAP and Customer in connection with the parties' business relationship related to the subject matter of the Agreement. All previous representations, discussions, and writings (including any confidentiality agreements) are merged in and superseded by the Agreement and the parties disclaim any reliance on them. Each party acknowledges that (i) in entering into this Agreement it has not relied on any representation, discussion, collateral contract or other assurance except those set out in this Agreement and hereby waives all rights and remedies which, but for this section, might otherwise be available to it in respect of any such representation, discussion, collateral contract or other assurance and (ii) it shall have no remedies in respect of any warranty, term, condition, representation or statement that is not expressly set out in this Agreement. Nothing in this Agreement shall limit or exclude any liability for fraudulent misrepresentation.

The Agreement may be modified solely in writing signed by both parties, except as permitted under the Agreement. Terms and conditions of any Customer-issued purchase order shall have no force and effect, even if SAP accepts or does not otherwise reject the purchase order.

13.14. Contracts (Rights of Third Parties) Act 1999.

Notwithstanding any other provision in this Agreement, nothing in this Agreement shall create or confer (whether expressly or by implication) any rights or other benefits whether pursuant to the Contracts (Rights of Third Parties) Act 1999 or otherwise in favour of any person not a party hereto.
