Customer agrees that SAP may share information on Customer with its Affiliates for marketing and other business purposes and that it has secured appropriate authorisations to share Customer employee contact information with SAP.

12. DATA PROTECTION

13.2 No Waiver.

A waiver of any breach of the Agreement is not deemed a waiver of any other breach.

13.3 Electronic Signature.

Electronic signatures that comply with applicable law are deemed original signatures.

13.4 Regulatory Matters.

SAP Confidential Information is subject to export control laws of various countries, including the laws of the United States, United Kingdom and Germany. Customer will not submit SAP Confidential Information to any government agency for licensing consideration or other regulatory approval, and will not export SAP Confidential Information to countries, persons or entities if prohibited by export laws.

13.5 Notices.

All notices will be in writing and given when delivered to the address set forth in an Order Form with copy to the legal department. Notices by SAP relating to the operation or support of the Digital Interconnect Service, and as otherwise permitted in the GTC or an Order Form (including, but not limited to, those under Sections 2.7 and 5.1 of this GTC) may be in the form of electronic mail to Customer's authorised representative or administrator, with such notice deemed to have been given upon dispatch from SAP's email server.

13.7 Subcontracting.

SAP may subcontract parts of the Digital Interconnect Service to third parties. SAP is responsible for breaches of the Agreement caused by its subcontractors. Nothing shall prevent SAP from delegating the performance of any or all of its obligations under this Agreement to any Affiliate.

13.8 Relationship of the Parties.

The parties are independent contractors, and no partnership, franchise, joint venture, agency, fiduciary or employment relationship between the parties is created by the Agreement.

13.9 Rights of third parties. Except as specifically provided for in this Agreement, this Agreement does not give rise to any third party being a third party beneficiary of this Agreement or being entitled to any rights whatsoever, including, but not limited to, the right to enforce any term of this Agreement. Under this Agreement, any liability, loss or damage incurred or suffered by an Affiliate of SAP in relation to the supply of the Digital Interconnect Service to, or use by, Customer pursuant to this Agreement shall be deemed to constitute a liability, loss or damage incurred or suffered by SAP.

13.10 Force Majeure.

Any delay in performance (other than for the payment of amounts due) caused by conditions beyond the reasonable control of the performing party is not a breach of the Agreement. The time for performance will be extended for a period equal to the duration of the conditions preventing performance.

13.11 Governing Law.

The Agreement and any claims relating to its subject matter will be governed by and construed under the laws of England and Wales, without reference to its conflicts of law principles. All disputes will be subject to the exclusive jurisdiction of the courts located in London. The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act (where enacted) will not apply to the Agreement. Either party must initiate a cause of action for any claim(s) relating to the Agreement and its subject matter within one (1) year from the date when the party knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

13.12 Entire Agreement.

The Agreement constitutes the complete and exclusive statement of the agreement between SAP and Customer relating to the subject matter of the Agreement and supersedes all prior agreements, arrangements and understandings between the parties relating to that subject matter. Each party acknowledges that in entering into the Agreement it has not relied on any representation, discussion, collateral contract or other assurance except those expressly set out in the Agreement. Each party waives all rights and remedies which, but for this section, might otherwise be available to it in respect of any such representation, discussion, collateral contract or other assurance. Except as permitted under Section 3.4, this Agreement may be modified only in writing signed by both parties. The Agreement shall prevail over any additional, conflicting, or inconsistent terms and conditions which may appear on any purchase order furnished by one party to the other, and any additional terms and conditions in any such purchase order shall have no force and effect, notwithstanding the non-furnishing party's acceptance or execution of such purchase order.
