Should the Licensee, notwithstanding formal written demand to it by SAP, fail to furnish to SAP such receipt within a reasonable period for any reason other than the obvious delay of the issuing authority, then the Licensee shall be liable to pay to SAP the amount so deducted upon demand.

Licensee hereby agrees to reimburse SAP for any taxes and tax related costs, administrative fees and penalties paid or payable by SAP as a result of Licensee's non-compliance in regard to this Section or delay with its responsibilities herein.

This Agreement and the license granted hereunder shall become effective as of the date first set forth in the applicable Software Order Form and shall continue in effect thereafter unless terminated upon the earliest to occur of the following: (i) thirty days after Licensee gives SAP written notice of Licensee's direction to terminate this Agreement, for any reason, but only after payment of all License and SAP Support fees then due and owing; (ii) thirty days after SAP gives Licensee written notice of Licensee's material breach of any provision of this Agreement (other than Licensee's breach of its obligations under Sections 6, 10 or 11, which breach shall result in immediate termination), including Licensee's failure to pay any money due hereunder, unless Licensee has cured such breach during such thirty day period; (iii) immediately if Licensee files for bankruptcy, becomes insolvent, or makes an assignment for the benefit of creditors. For the avoidance of any doubt, the parties agree there is no requirement to obtain a court order to exercise the rights of termination under this Section 5. In addition, termination of this Agreement shall strictly apply to all Software licensed under this Agreement, its appendices, schedules, addenda and order documents and any partial termination of this Agreement by Licensee shall not be permitted in respect of any part of this Agreement, its appendices, schedules, addenda, order documents.

Licensee must certify to SAP in writing that it has satisfied its obligations under this Section 5.2. Licensee agrees to certify in writing to SAP that it and each of its Affiliates has performed the foregoing. Sections 3 (verification), 4 (price and payment), 5.2 (end of term duties), 6 (intellectual property rights), 7.2 (warranty), 8 (indemnification), 9 (limitation of liability), 10 (confidentiality), 12.4 (regulatory matters), 12.5 (governing laws and limitations period), 12.6 (arbitration), 12.7 (notices) and 12.9 (entire agreement) shall survive such termination. In the event of any termination hereunder, Licensee shall not be entitled to any refund of any payments made by Licensee. Termination shall not relieve Licensee from its obligation to pay fees that remain unpaid. Termination of this Agreement shall strictly apply to all SAP Materials licensed hereunder and to this Agreement's appendices, schedules, addenda, Order Forms, order documents and any other incorporated documents. Partial termination of this Agreement by Licensee shall not be permitted in respect of any part of this Agreement.

6. INTELLECTUAL PROPERTY RIGHTS.

The SAP Materials, and all Intellectual Property Rights embodied therein, shall be the sole and exclusive property of SAP, SAP SE (the parent company of SAP) or its or their licensors, subject to any rights expressly granted to Licensee in Section 2 and 6.3 herein. Except for the rights set forth in Sections 2 and 6.3 herein, Licensee is not permitted to modify or otherwise make derivative works of the Software or other SAP Materials.

6.2 Protection of Rights. Except to the extent such rights cannot be validly waived by law, Licensee shall not copy, translate, disassemble, decompile, nor reverse engineer the Software or other SAP Materials. Licensee shall not create or attempt to create the source code from the object code of the Software or other SAP Materials. 6.3.1 Licensee shall comply with SAP's registration procedure prior to making Modifications or Add-ons. All Modifications and all rights associated therewith shall be the exclusive property of SAP, SAP SE or its or their licensors. All Add-ons developed by SAP (either independently or jointly with Licensee) and all rights associated therewith shall be the exclusive property of SAP, SAP SE or its or their licensors. Licensee agrees to execute those documents reasonably necessary to secure SAP's rights in the foregoing Modifications and Add-ons. All Add-ons developed by or on behalf of Licensee without SAP's participation ("Licensee Add-on"), and all rights associated therewith, shall be the exclusive property of Licensee subject to SAP's rights in and to the Software and SAP Materials; provided, Licensee shall not commercialize, market, distribute, license, sublicense, transfer, assign or otherwise alienate any such Licensee Add-

ons. SAP retains the right to independently develop its own Modifications or Add-ons to the Software, and Licensee agrees not to take any action that would limit SAP's sale, assignment, licensing or use of its own Software or Modifications or Add-ons thereto.

6.3.2 Any Modification developed by or on behalf of Licensee without SAP's participation or Licensee Add-on must not (and subject to other limitations set forth herein): enable the bypassing or circumventing any of the restrictions set forth in this Agreement and/or provide Licensee with access to the Software to which Licensee is not directly licensed; nor unreasonably impair, degrade or reduce the performance or security of the Software; nor render or provide any information concerning SAP software license terms, Software, or any other information related to SAP Materials.

6.3.3 Licensee covenants, on behalf of itself and its successors and assigns, not to assert against SAP or its affiliated companies, or their resellers, distributors, suppliers, commercial partners and customers, any rights in any (i) Licensee Add-ons or Modifications, or (ii) other functionality of the SAP Software accessed by such Licensee Add-ons or Modifications.

7. PERFORMANCE WARRANTY.

7.1 Warranty. SAP warrants that the Software will substantially conform to the specifications contained in the Documentation for six months following delivery. The warranty shall not apply: (i) if the Software is not used in accordance with the Documentation; or (ii) if the defect is caused by a Modification or Add-on (other than a Modification or Add-on made by SAP and which is provided through SAP Support or under warranty), Licensee or third party software; or (iii) to any Licensee unlicensed activities. SAP does not warrant that the Software will operate uninterrupted or that it will be free from minor defects or errors that do not materially affect such performance, or that the applications contained in the Software are designed to meet all of Licensee's business requirements. Licensee accepts responsibility for the selection of the Software to achieve its intended results and acknowledges that the Software has not been developed to meet Licensee's individual requirements. Provided Licensee notifies SAP in writing with a specific description of the Software's nonconformance within the warranty period and SAP validates the existence of such nonconformance, SAP will, at its option: a) repair or replace the nonconforming Software, or b) refund the Software license fees paid for the applicable nonconforming Software in exchange for a return of such nonconforming Software. This is Licensee's sole and exclusive remedy under this warranty.

7.2 Express Disclaimer.

Except for the warranties, terms, conditions, representations or statements expressly set out in this Agreement, all other warranties, terms, conditions, representations or statements which might have effect between the parties or be implied or incorporated into this Agreement or any collateral contract, whether by statute, common law, custom or otherwise, are hereby excluded to the fullest extent permitted by law, including any implied conditions, warranties or other terms as to quality or fitness for purpose or non-infringement of any third party's rights.

8. THIRD PARTY CLAIMS.

8.1 Infringement and Defense of Licensee. SAP shall defend Licensee against claims brought against Licensee in the Territory by any third party alleging that Licensee's Use of the Software, in accordance with the terms and conditions of this Agreement, constitutes a direct infringement or misappropriation of such third party's patent claim(s), copyright or trade secret rights, and SAP will pay damages finally awarded against Licensee (or the amount of any settlement SAP enters into) with respect to such claims. This obligation of SAP shall not apply if the alleged infringement or misappropriation results from (i) Use of the Software in conjunction with any other software; (ii) Use of the Software with an apparatus other than a Designated Unit; (iii) failure to promptly use an update provided by SAP if such infringement or misappropriation could have been avoided by use of the update; or (iv) any Use not permitted by this Agreement. This obligation of SAP also shall not apply if Licensee fails to timely notify SAP in writing of any such claim; however, Licensee's failure to provide or delay in providing such notice shall not relieve SAP of its obligations under this Section except to the extent SAP is prejudiced by Licensee's failure to provide or delay in providing such notice. SAP is permitted to control fully the defense and any settlement of any such claim as long as such settlement shall not include a financial obligation on or admission of liability by Licensee. In the event Licensee declines SAP's proffered defense, or otherwise fails to give full control of the defense to SAP's designated counsel, then Licensee waives SAP's obligations under this Section 8.1. Licensee shall reasonably cooperate in the defense of such claim and may appear, at its own expense, through counsel reasonably acceptable to SAP. SAP expressly reserves the right to cease such defense of any claim(s) in the event the Software is no longer alleged to infringe or misappropriate, or is held not to infringe or misappropriate, the third party's rights. SAP may settle or mitigate damages from any claim or potential claim by substituting alternative substantially equivalent non-infringing programs and supporting documentation for the Software. Licensee shall not undertake any action in response to any infringement or misappropriation, or alleged infringement or misappropriation of the Software that is prejudicial to SAP's rights.

8.2 The provisions of this Section 8 state the sole, exclusive and entire liability of SAP and its licensors to Licensee and is Licensee's sole remedy, with respect to any infringement or misappropriation of third party Intellectual Property Rights.

9. LIMITATIONS OF LIABILITY.

SAP and its licensors will not be liable for any Licensee activities not permitted under this Agreement including without limitation to the extent that any liability arises from: (i) the Software not being used in accordance with the Documentation; or (ii) any defect or liability caused by Licensee, a Modification or Add-on (other than a Modification or Add-on made by SAP and provided through SAP Support or under warranty), or third party software; or (iii) the Software being used in conjunction with any third party software for which the Licensee lacks sufficient rights from the third party vendor for such use; SAP and its licensors shall not be liable for any claims or damages arising from inherently dangerous Use of the Software and/or Third Party Software.

9.2 Exclusion of Damages; Limitation of Liability.

(b) indirect, special, incidental or consequential loss or damages and whether or not the other party had been advised of the possibility of such loss or damage; or

(c) loss or damage related to Third Party Software which exceeds the net Software license fees paid for the Third Party Software directly causing the loss or damage.

9.2.2 Subject to sections 9.2.1, 9.2.3 and 9.2.4 and regardless of the basis of liability (whether arising out of breach of contract, tort (including but not limited to negligence), misrepresentation, breach of statutory duty, breach of warranty or claims by third parties, wilful misconduct or otherwise) the aggregate liability of each party to the other or any other party for any loss or damage arising under or in relation to this Agreement shall not exceed the aggregate Software license fees paid for the Software directly causing the damages.

9.2.3 Nothing in this Agreement shall exclude or limit either party's liability for death or personal injury caused by negligence, for fraud and fraudulent misrepresentation or for any other liability which cannot be excluded or limited by applicable law.

9.2.4 Nothing in this Agreement shall exclude or limit either party's liability for damages resulting from unauthorized use or disclosure of Confidential Information, SAP's liability for Third Party Claims under Section 8.1 or Licensee's liability for any failure to pay any fees due under or in relation to this Agreement.

9.3 The parties agree that the provisions of this Agreement appropriately allocate the risks between SAP and Licensee and the Software License and SAP Support fees reflect this allocation of risk and the limitations of liability herein.

10. CONFIDENTIALITY.

10.1 Use of Confidential Information. Confidential Information shall not be reproduced in any form except as required to accomplish the intent of this Agreement. Any reproduction of any Confidential Information of the other shall remain the property of the disclosing party and shall contain any and all confidential or proprietary notices or legends which appear on the original. With respect to the Confidential Information of the other, each party : (a) shall take all Reasonable Steps (defined below) to keep all Confidential Information strictly confidential; and (b) shall not disclose any Confidential Information of the other to any person other than its bona fide individuals whose access is necessary to enable it to exercise its rights and/or perform its obligations hereunder, and who are under obligations of confidentiality substantially similar to those set forth herein. As used herein "Reasonable Steps" means those steps the receiving party takes to protect its own similar proprietary and confidential information, which shall not be less than a reasonable standard of care. Confidential Information of either party disclosed prior to execution of this Agreement shall be subject to the protections afforded hereunder.

10.2 Exceptions. The above restrictions on the use or disclosure of the Confidential Information shall not apply to any Confidential Information that: (a) is independently developed by the receiving party without reference to the disclosing party's Confidential Information, or is lawfully received free of restriction from a third party having the right to furnish such Confidential Information; (b) has become generally available to the public without breach of this Agreement by the receiving party; (c) at the time of disclosure, was known to the receiving party free of restriction; or (d) the disclosing party agrees in writing is free of such restrictions.

10.3 Confidential Terms and Conditions; Publicity. Licensee shall not disclose the terms and conditions of this Agreement or the pricing contained herein to any third party. Neither party shall use the name of the other party in publicity, advertising, or similar activity, without the prior written consent of the other, except that Licensee agrees that SAP and its affiliated companies may use Licensee's name in customer listings or, at times mutually agreeable to the parties, as part of SAP's marketing efforts (including without limitation reference calls and stories, press testimonials, site visits, SAPPHIRE participation). SAP will make reasonable efforts to avoid having the reference activities unreasonably interfere with Licensee's business. Licensee agrees that SAP may share information on Licensee with its affiliated companies for marketing and other business purposes and that Licensee has secured permission from its employees to allow SAP to share business contact information with its affiliates.

11. ASSIGNMENT and SUBCONTRACTING. Licensee may not, without SAP's prior written consent, assign, delegate, pledge, or otherwise transfer this Agreement, or any of its rights or obligations under this Agreement, or the SAP Materials or SAP Confidential Information, to any party, whether voluntarily or by operation of law, including by way of sale of assets, merger or consolidation. SAP may assign this Agreement to any of its affiliates. SAP has the right to subcontract support services without the need to obtain the consent of the Licensee.

12. GENERAL PROVISIONS.

12.1 Severability. It is the intent of the parties that in case any one or more of the provisions contained in this Agreement shall be held to be invalid or unenforceable in any respect, such invalidity or unenforceability shall not affect the other provisions of this Agreement, and this Agreement shall be construed as if such invalid or unenforceable provision had never been contained herein.

12.2 No Waiver. If either party should waive any breach of any provision of this Agreement, it shall not thereby be deemed to have waived any preceding or succeeding breach of the same or any other provision hereof.

12.3 Counterparts. This Agreement may be signed in two counterparts, each of which shall be deemed an original and which shall together constitute one Agreement. Both parties agree that this document and its signature can be established in electronic form (sending by facsimile, scanned copy sent via e-mail, or electronic signature by using means implemented by SAP – for example DocuSign) and that, in electronic form, they shall be deemed originals.

12.4 Regulatory Matters. The Software, Documentation and SAP Materials are subject to the export control laws of various countries, including without limit the laws of the United States, Ireland and Germany. Licensee agrees that it will not submit the Software, Documentation or other SAP Materials to any government agency for licensing consideration or other regulatory approval without the

prior written consent of SAP, and will not export the Software, Documentation and SAP Materials to countries, persons or entities prohibited by such laws. Licensee shall also be responsible for complying with all applicable governmental regulations of the country where Licensee is registered, and any foreign countries with respect to the use of the Software, Documentation or other SAP Materials by Licensee and/or its Affiliates.

12.5 Governing Law and Limitations Period. This Agreement, and any claims arising out of or relating to this Agreement and its subject matter, shall be governed by and construed under the laws of England, without reference to its conflicts of law principles. Licensee must initiate a cause of action for any claim(s) arising out of or relating to this Agreement and its subject matter within one (1) year from the date when Licensee knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

The chairman shall be a qualified lawyer, and the other arbitrators shall have a background or training in computer law, computer science, or marketing of computer products. The arbitrators shall have the authority to grant injunctive relief, in a form substantially similar to that which would otherwise be granted by a court of law. The Parties irrevocably agree to submit to arbitration and the Parties each agree that any award made by the arbitrators shall be enforceable in any country, without further inquiry into the disputed matters which are the subject of the award. The provisions of this section shall survive termination of this Agreement.

12.6.3 The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement.

12.7 Notices. All notices or reports which are required or may be given pursuant to this Agreement shall be in writing and shall be deemed duly given when delivered to the respective executive offices of SAP and Licensee at the addresses first set forth in any Software Order Form. Where in this Section 12.6 or elsewhere in this Agreement a written form is required, except for any notice of termination or notice of a material breach which shall occur by exchange of letter(s), that requirement can be met by facsimile transmission, exchange of letters or other written form, including email.

12.8 Force Majeure. Any delay or nonperformance of any provision of this Agreement (other than for the payment of amounts due hereunder) caused by conditions beyond the reasonable control of the performing party shall not constitute a breach of this Agreement, and the time for performance of such provision, if any, shall be deemed to be extended for a period equal to the duration of the conditions preventing performance.

12.9 Entire Agreement.

This Agreement constitutes the complete and exclusive statement of the agreement between the parties relating to the subject matter hereof and supersedes all prior agreements, communications, arrangements, promises, assurances, warranties, representations and understandings between the parties (both oral and written) relating to that subject matter and no agreement, communication, arrangement, promise, assurance, warranty, representation, discussion, collateral contract or understanding of any kind, oral or written, shall be binding upon the parties unless incorporated herein. Each party acknowledges and agrees that in entering into this Agreement it has not relied on and shall have no remedy in respect of any agreement, communication, arrangement, promise, assurance, warranty, representation, discussion, collateral contract or understanding (whether negligently or innocently made) except those expressly set out in this Agreement. Each party agrees that it shall have no rights or remedies which, but for this section, might otherwise be available to it in respect of any such agreement, communication, arrangement, promise, assurance, warranty, representation, understanding, discussion, collateral contract or understanding; in any such case whether made innocently or negligently or otherwise. Nothing in this Agreement shall limit or exclude the liabilities or the rights or remedies of either party that cannot be limited or excluded by law.

This Agreement may be modified only by a writing signed by both parties. This Agreement shall prevail over any additional, conflicting, or inconsistent terms and conditions which may appear on any purchase order or other document furnished by Licensee to SAP. This Agreement shall prevail over any additional, conflicting or inconsistent terms and conditions which may appear in any clickwrap end user agreement included in the Software. Signatures sent by electronic means (facsimile or scanned and sent via e-mail) shall be deemed original signatures. This Agreement does not create any partnership, joint venture or principal-and-agent relationship.

12.10 Hierarchy. The following order of precedence shall be applied in the event of conflict or inconsistency between provisions of the components of this Agreement: (i) the Software Order Form; (ii) the Schedules; (iii) the GTC; and (iv) the Use Terms; except with respect to third party pass-through terms for Third Party Software stated in the Use Terms, in which case the Use Terms prevail over any conflict or inconsistency in any component of this GTC solely with respect to such third party pass-through terms.

12.11 Rights of Third Parties – Notwithstanding any other provision in this Agreement, nothing in this Agreement shall create or confer (whether expressly or by implication) any rights or other benefits in favour of any person not a party thereto.
