- 4.1** Either party can request changes to the Service.
- 4.2** SAP is not required to perform under a Change Request prior to the execution by the parties of the applicable Change Request.

5. SATISFACTION WITH PERSONNEL

The other party will use its reasonable discretion in accomplishing any such change (which also, in the case of SAP, shall be subject to staffing availability).

6. COMPENSATION OF SAP

- 6.1** SAP will provide an invoice specifying the fees for each of the Services in accordance with the terms of the Order Form. Payment is due on date of invoice. This Section shall not apply to taxes based on SAP's income.

7. TERM AND TERMINATION

7.1 Term of the GTC.

These GTC shall commence on the Effective Date and remain in effect unless terminated earlier by either party in accordance with this Section 7.

7.2 Termination of the GTC for Convenience.

Either party may terminate this GTC for convenience upon thirty (30) days' prior written notice to the other party. If these GTC are terminated for convenience prior to the completion of one or more Order Forms, such termination will not affect the continuation of any such Order Form as governed by these GTC.

7.3 Term of an Order Form or Service.

Each Order Form and Service shall be effective on the effective date set forth in that Order Form, and shall remain in effect until end of term or completion of the Services in accordance

with the Order Form, the respective Service Description or Scope Document, or terminated earlier by either party in accordance with this Section 7. For clarity, the termination of any particular Service in accordance with this Section 7 shall not cause or result in the termination of any other Services ordered under the same Order Form nor reduce Licensee's liability for payments to SAP.

7.4 Termination of an Order Form for Convenience.

Except as otherwise agreed in an Order Form, each Order Form (excluding fixed-price Services and excluding subscription or monthly reoccurring Services) may be terminated by either party subject to thirty (30) days' prior written notice to the other party.

7.5 Termination of Agreement and/or an Order Form for cause.

Either party may terminate these GTC and/or an Order Form for cause:

- (a) upon thirty (30) days prior written notice of the other party's material breach of any provision (including more than thirty (30) days delinquency in Licensee's payment of any money due hereunder or any Order Form) of the Agreement unless such party has cured such breach during such thirty (30) day period; or
- (b) immediately if the other party files for bankruptcy, becomes insolvent, or makes an assignment for the benefit of creditors, or otherwise materially breaches Sections 9 or 14.

7.6 Effect of Termination.

Licensee shall be liable for payment of all costs, fees and expenses up to the effective date of termination for (i) any completed, partially completed or scheduled Services from any phase or milestone; (ii) any reasonable committed costs or expenses; (iii) any non-refundable travel costs including visa costs and related expenses.

All Confidential Information of the other party provided in connection with this Agreement in the possession of such party shall, subject to any legal retention rights and upon request of the other party be returned to the disclosing party or destroyed with certification of such destruction from an individual of authority to bind the respective party. The obligation to return or destroy Confidential Information does not apply to Work Products that are provided by SAP to Licensee, unless the Order Form or Agreement is terminated by SAP in accordance with section 7.5 herein.

8. INTELLECTUAL PROPERTY RIGHTS

8.1 All title to and rights in the Services, Deliverables and Work Products, and all Intellectual Property Rights embodied therein, including techniques, knowledge or processes of the Services and/or Deliverables (whether or not developed for Licensee), shall be the sole and exclusively property of SAP and SAP SE. Licensee agrees to execute and to ensure its third parties execute such documentation as reasonably necessary to secure SAP's or SAP SE's title over such rights.

8.2 Once all amounts due under an Order Form are paid in full and all claims have been satisfied, Licensee is granted a non-exclusive, non-transferable license for the duration of the license granted under the License Agreement, so long as Licensee complies with the terms of the License Agreement and this Agreement to use any Deliverables and Work Products provided to it by SAP under a relevant Order Form under this Agreement in order to run Licensee's and its Affiliates' internal business operations, and otherwise to the same extent as Licensee is granted a license to use the SAP Software, documentation and SAP Confidential Information in the License Agreement. Licensee may allow its third-party service providers to access the Deliverables, Work Product and Services of SAP solely for purposes of supporting the Licensee or Affiliates and provided that such third-party service provider is obligated under substantially similar written terms to protect SAP Confidential Information and Licensee shall be responsible for any breach as if by Licensee.

8.3 Licensee must immediately notify SAP in writing if any third-party gains unauthorized access to SAP proprietary materials or Confidential Information. Licensee shall take all reasonable steps to stop such unauthorized access.

9. CONFIDENTIALITY

9.1 Use of Confidential Information.

- (a) The receiving party will protect all Confidential Information of the disclosing party as strictly confidential to the same extent it protects its own Confidential Information, and not less than a reasonable standard of care. Receiving party will not disclose any Confidential Information of the disclosing party to any person other than its personnel, representatives or Authorized Users whose access is necessary to enable it to exercise its rights or perform its obligations under the Agreement and who are under written obligations of confidentiality substantially equivalent to those herein. Licensee will not disclose the Agreement or the pricing to any third party. Notwithstanding this section, a receiving party may use in its business activities the ideas, concepts and know-how related to the technology contained in the other party's Confidential Information and retained in the unaided memories of the other party's employees who have access to such Confidential Information in connection with the Services.
- (b) In the event of legal proceedings relating to the Confidential Information, the receiving party will cooperate with the disclosing party and comply with applicable law (all at disclosing party's expense) with respect to handling of the Confidential Information.

9.2 Exceptions.

The restrictions on use or disclosure of Confidential Information will not apply to any Confidential Information that:

- (a) is independently developed by the receiving party without reference to the disclosing party's Confidential Information,
- (b) is generally available to the public without breach of the Agreement by the receiving party,
- (c) at the time of disclosure, was known to the receiving party free of confidentiality restrictions, or
- (d) the disclosing party agrees in writing is free of confidentiality restrictions.

9.3 Publicity.

Neither party will use the name of the other party in publicity activities without the prior written consent of the other, except that Licensee agrees that SAP may use Licensee's name in customer listings or quarterly calls with its investors or, at times mutually agreeable to the parties, as part of SAP's marketing efforts (including reference calls and stories, press testimonials, site visits, SAPPHERE participation). Licensee agrees that SAP may share information on Licensee with SAP SE and its Affiliates for marketing and other business purposes and that it has secured appropriate authorizations to share Licensee employee contact information with SAP SE and its Affiliates.

10. FEEDBACK

Licensee may at its sole discretion, provide SAP (or as used herein SAP SE or other SAP entity) with input, comments or suggestions from Licensee, regarding SAP's business and technology direction and/or the possible creation, modification, correction, improvement or enhancement of the software, products and/or services of SAP, (collectively "**Feedback**"). Licensee grants to SAP SE a non-exclusive, perpetual, irrevocable, worldwide, transferable, royalty-free license, with the right to sublicense through multiple tiers, to use, publish, disclose, perform, copy, make, have made, use, modify, create derivative works, distribute, sell, offer for sale and otherwise benefit from Feedback in any manner and via any media.

11. WARRANTY

11.1 Good industry practices.

SAP warrants that

- (a) its Services will be performed in a professional workman-like manner by Consultants with the skills reasonably required for the Services; and
- (b) for ninety (90) days following provision of the Service, the Deliverables will materially conform with the applicable specifications for that Deliverable. For clarity, the warranty period for Deliverables (if any) resulting from any subscription based Services will in no event exceed the termination date of the subscription based Services.

SAP does not warrant error-free or uninterrupted operation of any Service or Deliverable or that SAP will correct all non-conformities.

11.2 Notification.

Licensee shall notify SAP within ninety (90) days of provision of the Service or Deliverable in writing of the alleged warranty breach and provide SAP with a precise description of the problem and all relevant information reasonably necessary for SAP in order to rectify such warranty breach.

11.3 Remedy.

Provided Licensee has notified SAP in accordance with section 11.2 of a warranty breach and SAP validates the existence of such warranty breach, SAP will, at its option:

- (a) re-perform the applicable Services or Deliverable;
- (b) refund the fee paid or reallocate quota for the specific non-conforming Service or Deliverable.

This is Licensee's sole and exclusive remedy for a warranty breach.

11.4 Exclusions.

This warranty shall not apply

- (a) if the Deliverables are not used in accordance with any applicable documentation provided or
- (b) if the alleged warranty breach is caused by a modification to the Deliverable, Licensee or third-party software.

11.5 Disclaimer.

SAP and its licensors disclaim all warranties express or implied or statutory, including without limitation, any implied warranties of merchantability or fitness for a particular purpose except to the extent that any warranties implied by law cannot be validly waived.

12. THIRD PARTY CLAIMS

- 12.1** SAP shall defend (at its sole expense) Licensee against claims brought against Licensee by any third party alleging that Licensee's use of the Deliverables, in accordance with the terms and conditions of the Agreement, constitutes an infringement or misappropriation of a patent claim(s), copyright, or trade secret rights. SAP will pay damages finally awarded against Licensee (or the amount of any settlement SAP enters into) with respect to such claims. This obligation of SAP shall not apply if the alleged infringement or misappropriation results from
- (a) use of the Deliverables in conjunction with any other software, services, or any product, data or apparatus that SAP did not provide; or
 - (b) anything Licensee provides including configurations, instructions or specifications;
 - (c) a modification of the Deliverable by Licensee or by a third party on behalf of Licensee or
 - (d) any use not permitted by the Agreement.

- 12.2** In the event a claim under Section 12.1 is made or in SAP's reasonable opinion is likely to be made, SAP may, at its sole option and expense:
- (a) procure for Licensee the right to continue using the Deliverable under the terms of the Agreement; or
 - (b) replace or modify the Deliverable to be non-infringing without material decrease in functionality.

If these options are not reasonably available, SAP or Licensee may terminate the Agreement to the affected Deliverable upon written notice to the other.

- 12.3** Licensee shall defend SAP and its affiliated companies against claims brought against SAP by any third party arising from or related to
- (a) any Licensee use of the Services in violation of any applicable law or regulation;
 - (b) an allegation that the Customer Data, Licensee's use of the Services or anything Licensee has provided to SAP including access to third party software or proprietary information violates, infringes or misappropriates the rights of a third party.

The foregoing shall apply regardless of whether such damage is caused by the conduct of Licensee and/or its named users or by the conduct of a third party using Licensee's access credentials.

- 12.4** The obligations under this Section 12 are conditioned on
- (a) the party against whom a third-party claim is brought timely notifying the other party in writing of any such claim, provided however that a party's failure to provide or delay in providing such notice shall not relieve a party of its obligations under this Section 12 except to the extent such failure or delay prejudices the defense;
 - (b) the party who is obligated hereunder to defend a claim having the right to fully control the defense of such claim; and
 - (c) the party against whom a third-party claim is brought reasonably cooperating in the defense of such claim. Any settlement of any claim shall not include a financial or specific performance obligation on or admission of liability by the party against whom the claim is brought, provided however that SAP may settle any claim on a basis requiring SAP to substitute for the Services any alternative substantially equivalent non-infringing services. The party against whom a third-party claim is brought may appear, at its own expense, through counsel reasonably acceptable to the party obligated to defend claims hereunder. Neither party shall undertake any action in response to any infringement or misappropriation, or alleged infringement or misappropriation that is prejudicial to the other party's rights.
- 12.5** The provisions of this Section 12 state the sole, exclusive, and entire liability of the parties, their Affiliates and their licensors to the other party, and is the other party's sole remedy, with respect to third party claims covered hereunder and to the infringement or misappropriation of third-party intellectual property rights.

13. LIMITATION OF LIABILITY

Notwithstanding anything herein to the contrary, except for damages resulting from (i) unauthorized use or disclosure of Confidential Information (including Customer Data), or (ii) damages resulting from death or bodily injury arising from either party's gross negligence or willful misconduct, or (iii) SAP's right to collect unpaid fees, under no circumstances and regardless of the nature of the claim shall either party (or their respective Affiliates or SAP's licensor's) be liable to each other to or any other person or entity under the Agreement for an amount of damages in excess of the fees paid for the applicable Services under the relevant Order Form or in the case of subscription based Services or Services with monthly reoccurring fees, the fees paid in the twelve (12) month period preceding the date of the incident giving rise to the liability, or, any special, incidental, consequential, or indirect damages, loss of good will or business profits, work stoppage or for exemplary or punitive damages.

14. ASSIGNMENT

Licensee may not, without SAP's prior written consent, assign, delegate, pledge, or otherwise transfer this Agreement, or any of its rights or obligations under this Agreement, or the Work Products and Deliverables or SAP Confidential Information, to any party, whether voluntarily or by operation of law, including by way of sale of assets, merger or consolidation. SAP may (i) assign this Agreement to any of the SAP SE Affiliates or (ii) subcontract all or part of the work to be performed under this Agreement to a qualified third party.

15. GENERAL PROVISIONS

15.1 Severability.

If any provision of the Agreement is held to be invalid or unenforceable, the invalidity or unenforceability will not affect the other provisions of the Agreement.

15.2 No Waiver.

A waiver or non-enforcement against any breach of the Agreement or obligation under the Agreement is not deemed a waiver of any other breach or obligation.

15.3 Electronic signature.

Electronic signatures that comply with applicable law are deemed original signatures.

15.4 Notice.

All notices will be in writing and given when delivered to the respective offices of SAP and Licensee at the addresses first set forth above with copy to the legal department.

15.5 Independent Contractor.

The relationship of SAP and Licensee established by this Agreement is that of an independent

contractor and no employment, agency, trust, partnership or fiduciary relationship is created by this Agreement.

15.6 System Security and Data Safeguards.

When SAP is given access to Licensee's systems and data, SAP shall comply with Licensee's reasonable administrative, technical, and physical safeguards to protect such data and guard against unauthorized access. In connection with such access, Licensee shall be responsible for providing Consultants with user authorizations and passwords to access its systems and revoking such authorizations and terminating such access, as Licensee deems appropriate from time to time. Licensee shall not grant SAP access to Licensee systems or personal information (of Licensee or any third party) unless such access is essential for the performance of Services under the Agreement. The parties agree that no breach of this provision shall be deemed to have occurred in the event of SAP non-conformance with the aforementioned safeguard but where no personal information has been compromised.

15.7 Force Majeure.

Any delay in performance (other than for the payment of amounts due hereunder) caused by conditions beyond the reasonable control of the performing party is not a breach of this Agreement. The time for performance will be extended for a period equal to the duration of the conditions preventing performance.

15.8 Governing Law.

The Agreement and any claims relating to its subject matter shall be governed by and construed under the laws of South Africa, without reference to its conflicts of law principles. All disputes will be subject to the exclusive jurisdiction of the courts located in South Africa. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. The Uniform Computer Information Transactions Act as enacted shall not apply. Either party must initiate a cause of action for any claim(s) arising out of or relating to this Agreement and its subject matter within one year from the date when the party knew, or should have known after reasonable investigation, of the facts giving rise to the claim(s).

15.9 Non-Solicitation.

Neither party shall knowingly solicit or hire, any of the other party's employees involved in the Services during the term of the applicable Order Form and for a period of six (6) months from the termination thereof, without the express written consent of the other party. This provision shall not restrict the right of either party to solicit or recruit generally in the media.

15.10 Entire Agreement; Written Form.

The Agreement constitutes the complete and exclusive statement of the agreement between SAP and Licensee with respect to the subject matter hereof. All previous representations, discussions and writings (including any confidentiality agreements) are merged in and superseded by the Agreement and the parties disclaim any reliance on them. An Agreement may be modified only by a writing signed by both parties. An Agreement will prevail over terms and conditions of any Licensee issued purchase order which will have no force and effect, even if SAP accept or does not otherwise reject the purchase order.

15.11 Hierarchy.

In the event of any inconsistencies between the GTC and an Order Form, the Order Form shall take precedence over the GTC. The Scope Document prevails over any Service Description.

15.12 Regulatory Matters.

The SAP Confidential Information is subject to the export control laws of various countries, including the laws of the United States, Germany and applicable laws. Licensee will not submit SAP Confidential Information to any government agency for licensing consideration or other regulatory approval without the prior written consent of SAP, and will not export the Confidential Information to countries, persons or entities if prohibited by export laws.

15.13 Survival.

Sections 7 (Term and Termination), 8 (Intellectual Property Rights), 9 (Confidentiality), 13 (Limitation of Liabilities), 15.8 (Governing Law), and 15.9 (Non-Solicitation) shall survive any termination of this Agreement.
