Prime Contractor shall not grant SAP access to Prime Contractor or Customer systems or personal information (of Prime Contractor, Customer or any third party) unless such access is essential for the performance of Services under the Agreement. Prime Contractor shall ensure Customer shall not store any personal data in non-production environments. No breach of this provision shall be deemed to have occurred in the event of SAP's non-conformance with the aforementioned safeguard but where no personal information has been compromised.

- 3.2.1. Prime Contractor shall provide and make available all Prime Contractor personnel as may be further addressed in an applicable Order Form or that SAP reasonably requires in connection with performance of the Services. If SAP is required to pay Taxes, Customer shall reimburse SAP for such amounts.
- b) Notwithstanding the above, if the Customer is legally required to deduct withholding/any other type of taxes from any payment which is due to SAP, the Customer must promptly notify SAP at time of receiving invoice or when it becomes aware of such requirement, whichever is earlier and provide SAP with evidence of receipt by the relevant tax authority of any sum that the Customer has deducted as withholding tax/any other type of taxes and such other information or documents as SAP may reasonably require for purposes of obtaining any available tax credit. Should the Customer, notwithstanding formal written demand to it by SAP, fail to furnish to SAP such receipt within a reasonable period for any reason other than the obvious delay of the issuing authority, then Customer shall be liable to pay to SAP the amount so deducted upon demand.
- c) Customer hereby agrees to reimburse SAP for any taxes and tax related costs, administrative fees and penalties paid or payable by SAP as a result of Customer's non-compliance in regard to this Section or delay with its responsibilities herein.
