 - 1.1.2. “Price List” with regard to this Run Business One Cloud Model means the “SAP Business One Cloud Price List” for or any other price list provided by SAP under or in connection with this Run Business One Cloud Model applicable to the country in which End User is located which is published on SAP’s partner-dedicated website or directly provided to Partner by SAP.
 - 1.1.3. “Product Family” means an SAP product family which may comprise of one or several SAP software products or services as further set out in the applicable RSPI.
 - 1.1.4. “Program Requirements” means that the Partner has to fulfill certain minimum program entry requirements as well as ongoing program requirements, some of which are general PartnerEdge requirements, some of which are specific for the “Run Engagement”, including, without limitation payment of the Program Fee(s), meeting certain minimum annual revenue requirements, upholding a Run Authorization for at least one Product Family available for the “Run Engagement” and other requirements as set out in detail in the PartnerEdge Program Guide and the RSPI.
 - 1.1.5. “Order Form” with regard to this Run Business One Cloud Model means any SAP order form for SAP Business One Cloud entered into by SAP and Partner for a specific End User, including information on the End User, pricing, subscription term and other information necessary for the purchase and delivery of SAP Business One to Partner.
 - 1.1.6. “Order Form Effective Date” means the date on which the Order Form becomes effective as stated in the Order Form.
 - 1.1.7. “Run Authorization” means that Partner needs to meet specific training and qualification requirements for the “Run Engagement” for SAP Business One in which Partner wants to resell SAP Business One Cloud in a hosted subscription model as set out in detail in the PartnerEdge Program Guide and the applicable RSPI.
 - 1.1.8. “SAP Business One Cloud” means the SAP software product(s) made available to partners for offering End User access to SAP Business One Cloud in hosted environment.
 - 1.1.9. “Support Services” means the provision of support and maintenance services for SAP Business One Cloud by SAP and Partner as defined in Article 11 below.
 - 1.1.10. “Usage Metric” means the usage parameters for determining the permitted access and use and calculating the applicable fees as set forth in an Order Form.
 - 1.1.11. “Third Party Product(s)” means any software product in which proprietary rights are owned by some-one other than SAP, SAP SE or any other Group Company of SAP. “Use” means (i) with regard to Partner to load, execute access, employ, utilize, store, or display the SAP Business One Cloud to End Users and (ii) with regard to End User to remote access the SAP Business One Cloud hosted by Partner for End User’s own business purposes.
 - 1.1.12. “Data Center(s)” means the site or sites at which SAP Business One Cloud will be hosted to enable Partner to provide the Subscription Services to its End Users.
 - 1.1.13. “Subscription Services” means the hosting of SAP Business Cloud by Partner for End Users in Partner’s Data Centre(s) and provision of remote access (via internet or private network) in conjunction with management and operation of SAP Business One Cloud by Partner for End Users.
 - 1.1.14. “Active Installation” means an installation of SAP Business One Cloud which is identified by the installation number accessible from within such installation; two installations of SAP Business One Cloud are therefore different Active Installations if they have different installation numbers.
- 1.2. Any terms not defined in this Run Business One Cloud Model will have the meaning ascribed to them in any other part of the Agreement.
 - 1.3. The headings in this Run Business One Cloud Model are for convenience only and are to be ignored in construing this Run Business One Cloud Model.
 - 1.4. Any reference in this Run Business One Cloud Model to a defined document is a reference to that defined document as amended, varied, novated or supplemented from time to time.
 - 1.5. Where the context so admits, the singular includes the plural and vice versa.

Article 2 Engagement Model

- 2.1. Under the Run Business One Cloud Model, SAP grants Partner the right to Use SAP Business One Cloud to offer Subscription Services to End Users. For this purpose, Partner will order SAP Business One Cloud subscriptions from SAP per End User and host SAP Business One Cloud in a Data Center. Partner will offer the Subscription Services in its own name, at its own risk and for its own account to End Users located in the Territory (as defined in the Run Cloud Schedule).
- 2.2. Partner is solely responsible for accurately and completely representing SAP Business One Cloud and the Subscription Services. Partner assumes all financial and legal liability for the quality, reliability and accuracy of all representations and warranties made by Partner, its employees, agents and consultants beyond what is contained in the Documentation. Partner will give the SAP Group and its licensors appropriate credit for the ownership of the SAP Business One, Documentation and other SAP Materials.
- 2.3. Partner will be solely responsible for setting its own prices vis-à-vis the End User for the Subscription Services.
- 2.4. For clarification: this Run Business One Cloud Model is not an “Outsourcing Agreement” as defined in the SAP PartnerEdge Run Cloud Schedule.

Article 3 Hosting Requirements

- 3.1. Partner shall Use the SAP Business One Cloud in Data Centers only to provide End Users remote access to SAP Business One Cloud to enable End Users to Use SAP Business One Cloud insofar as required to enter and process the data of End User in accordance with the terms of this Agreement. Any Use (other than remote access by End User) of SAP Business One Cloud at an End User's site and all other Use, even if it is technically possible, are is permitted. Partner shall not be entitled to grant any configuration or development rights to SAP Business One Cloud to End Users. A Data Center shall not be owned or operated by an End User.
- 3.2. Partner must at all times ensure that SAP Business One Cloud is physically stored and used only in one Data Center. In case Partner wants to use Data Centers in which the SAP Business One Cloud is stored to participate in any IT infrastructure pools together with third party hosting providers in order to offer IT infrastructure for customer applications on a shared on-demand basis (cloud computing), Partner undertakes to include such obligations in its contracts with such third party hosting providers which mirror the obligations of the Partner towards SAP with regards to protection of SAP Business One Cloud. Partner shall remain responsible towards SAP that all contractual obligations arising from this Agreement are adhered to by such third parties.
- 3.3. Partner is not allowed to Use SAP Business One Cloud licensed under this Agreement on one Active Installation of SAP Business One Cloud in combination with license rights acquired under any other license model by SAP or SAP Group Company. Partner is in particular not allowed to operate one Active Installation of SAP Business One Cloud using a mix of licenses perpetual and subscription licenses granted by SAP.
- 3.4. Partner shall be entitled to make copies of SAP Business One Cloud and Third-party Products supplied with SAP Business One Cloud and parts thereof only to the extent such copies are required for Use under this Agreement. Partner shall in particular be entitled to make and constantly update one (1) back-up copy of an Active Installation for security purposes. This non-productive back-up and the main installation shall never be in use concurrently at the same time; the back-up copy and the main installation may be kept in two separate Data Centers. Partner shall not pass-on or provide access to SAP Business One Cloud which it has received from SAP under this Agreement to any third party.

Article 4 Specific Order Processes and Requirements

- 4.1. For ordering SAP Business One Cloud SAP, Partner must submit to SAP an Order Form based on SAP's standard documents containing all the information required in the Order Form and must comply with any then-current order process for SAP Business One Cloud. Where applicable, Partner agrees to use the electronic means provided by SAP for placing orders.
- 4.2. Order Forms by Partner are binding, non-cancellable, non-revocable and non-transferable once submitted to SAP. All orders by Partner are subject to SAP's acceptance which SAP will give via the order process, by making available a download or by sending an invoice, whichever occurs first.
- 4.3. Where SAP has confirmed acceptance of an Order Form, SAP shall supply SAP Business One Cloud to Partner in accordance with the provisions of this Agreement and shall provide to Partner the appropriate license key for Use of SAP Business One Cloud to provide Subscription Services to the End User.
- 4.4. Notwithstanding SAP's acceptance of an Order Form, SAP shall be entitled to suspend the supply of SAP Business One Cloud or applicable license key(s) where and for as long as the following adverse conditions are present:
 - 4.4.1. the Partner is in substantial breach of this Agreement (for example, late payment in violation of an additional respite or infringement of intellectual property rights or confidentiality infringement)
 - 4.4.2. delivery is inappropriate or impossible due to technical problems not in SAP's responsibility (for example, unresolved defect notices, product liability risks, software production problems, provided these events are not attributable to SAP).
 - 4.4.3. the End User cannot be relied upon to observe SAP's rights in SAP Business One Cloud.
 - 4.4.4. reasons for suspension similar to or of the same gravity as those listed above.

Article 5 Changes to Usage Metric & Audit

- 5.1. Increasing Usage Metric: Partner may purchase an increase to a Usage Metric at any time during the Initial Term or a Renewal Term of any Order Form by executing an addendum to the original Order Form or an additional Order Form which will become an integral part of the original Order Form. The term of the additional Usage Metric set out in the addendum or additional Order Form will be coterminous with the then-current Initial Term or Renewal Term of SAP Business One Cloud set forth in the original Order Form, irrespective of the effective date of the addendum or additional Order Form. The fees for the increase to a Usage Metric will be prorated accordingly to reflect the remaining period of then-current Initial Term or Renewal Term. Any increase to a Usage Metric during the Initial Term or any Renewal Term of SAP Business One Cloud will continue to apply for Renewal Terms, except as otherwise terminated or reduced according to Article 12.2 (Termination for convenience).
- 5.2. Reducing Usage Metric: During the Initial Term or any Renewal Term of SAP Business One Cloud, Partner is not entitled to reduce the Usage Metric set forth in an Order Form as originally executed, as increased as set out in Article 5.1 (Increasing Usage Metric) or as increased due to overuse as set out in Article 5.3 (Overuse of Usage Metric) or claim any reduction of the fees payable for a Cloud Service. For clarification purposes, this means that Partner is not entitled to reduce the fees during the Initial Term or any Renewal Term of SAP Business One Cloud even if, inter alia:
 - 5.2.1. the End User uses less than the Usage Metric purchased by Partner for such End User;
 - 5.2.2. the End User does not pay Partner the fee unless Partner terminated the relevant Order Form in accordance with Article 12.3 (Termination in case of End User Insolvency);
 - 5.2.3. the End User breaches or terminates its contract with the Partner; or other disagreements or discrepancies arise in the relationship between Partner and End User.
- 5.3. Overuse of Usage Metric: Based on SAP's Audit provisions below, SAP may inform Partner about any actual use by End User in excess of the Usage Metric stated in the Order Form. In the event SAP becomes aware that (i) Partner underpaid any fees to SAP and/or (ii) End User has used a Cloud Service in excess of the Usage Metric stated in the Order Form, SAP may immediately invoice and Partner must pay such underpaid fees and/or the fees for such excess of the Usage Metric based on the applicable fees set forth in the Order Form, and Partner must execute an

addendum to the original Order Form or an additional Order Form to document the required purchase of any additional Usage Metric, which will become an integral part of the original Order Form. Such fees shall accrue from the date the excess use began. The term of the additional Usage Metric set out in the addendum or additional Order Form will be coterminous with the then-current Initial Term or Renewal Term of the relevant Cloud Service set forth in the original Order Form, irrespective of the effective date of the addendum or additional Order Form. The fees for the additional Usage Metric will be prorated accordingly to reflect the remaining period of then-current Initial Term or Renewal Term of the relevant Cloud Service. Any additional Usage Metric purchased during the Initial Term or any Renewal Term of a Cloud Service will continue to apply for Renewal Terms of such Cloud Service, except as otherwise terminated or reduced per Article 12.2 (Termination for convenience).

- 5.4. **Audit:** Subject to limitations under contract and law and without gathering or transmitting any content or other confidential information to SAP, SAP shall be permitted to a) set up SAP Business One Cloud so that each system generates and transmits to SAP the information needed for an audit and b) remotely access SAP Business One Cloud and the equipment on which it is installed to verify usage. In this respect, Partner undertakes to support SAP in accordance with SAP's reasonable instructions. In particular, Partner undertakes to prepare the measurement log not later than four weeks after SAP's request, such requests not to be made more often than once per Calendar Quarter. The measurement shall be carried out using only the unaltered SAP tools provided by SAP. The result of the measurement is to be transmitted to SAP immediately and in unaltered form. SAP shall comply with Partner's reasonable security requirements.
- 5.4.1. If SAP observes any breach by Partner of its obligations either with regards to (1) the licensed number of users and/or (2) any non-compliance with the terms of this Agreement or/and legal requirements and/or (3) SAP's right to system measurement by SAP as defined above and SAP Business One Cloud and equipment access, SAP shall be entitled to a compensation for any such breach and Partner shall be obliged to remedy such breach immediately. If usage is discovered which does not correspond to the usage permitted under the relevant orders, additional fees will become payable in the amount that would have been due if Partner had ordered Subscription Services to the full extent required.
- 5.4.2. SAP shall further be entitled to audit the actual usage of SAP Business One Cloud by End Users to determine whether (1) such actual usage is consistent with the number of user of SAP Business One Cloud licensed by Partner for a specific End User and (2) licensed users ordered for one End User are used for providing Subscription Services to another End User. If SAP observes any breach by a Partner and/or End User(s) of the obligations either with regards to (1) the licensed number of users of SAP Business One Cloud (2) any non-compliance with the terms of this Agreement or/and legal requirements and/or (3) rightfully and truly allow the system measurement by SAP as defined above, SAP shall (1) inform Partner thereof and (2) be entitled to a compensation by Partner for any such breach and Partner shall be obliged to remedy such breach immediately.

Article 6 Delivery of Cloud Services and other Services

- 6.1. After acceptance of an order, SAP will make available for download the most current version SAP Business One Cloud. Regarding the features, quality and functionality of the SAP Business One Cloud, the product description in the Order Form, Documentation and the Price List is solely decisive.
- 6.2. Partner agrees that its order of subscriptions for SAP Business One Cloud is neither contingent upon the delivery of any future functionality or features nor dependent upon any oral or written public comments made by SAP or any other member of the SAP Group, including any roadmaps, with respect to future functionality or features.
- 6.3. SAP will be entitled to suspend the delivery of any or all SAP Products to Partner or End User or both as further set out in this Run Business One Cloud Model as well as the PartnerEdge GTCs.

Article 7 Performance Warranty

The performance warranty for Cloud Services outlined in the PartnerEdge GTCs, Part 2 – Country specific Terms and Conditions, Article 3 no. 3 shall apply to SAP Business One Cloud subscriptions under this Run Business Cloud Model.

Article 8 Fees

- 8.1. **Payment and invoicing of fees.** The general calculation basis for the fees for SAP Business One Cloud is stipulated in the Price List and the Discount Letter, and will be specified in each Order Form. The fees for SAP Business One under this Run Business One Cloud Model also include Support Services. In consideration of the delivery of SAP Business One Cloud, Partner will pay to SAP the fee for SAP Business One Cloud ordered for any End User as set out in the corresponding Order Form. The fees for SAP Business One Cloud as originally set out in the Order Form or as increased per this Run Business One Cloud Model will be invoiced quarterly in arrears after the Order Form Effective Date, except as otherwise set forth in an applicable Order Form.
- 8.2. If Partner fails to pay any fee or other amount payable by it on its due date, SAP may at its sole discretion, suspend the possibility to order SAP Business One Cloud and stop providing Support Services.
- 8.3. **Fee Increase**
- 8.3.1. SAP agrees that the fee for SAP Business One Cloud will remain unchanged for the Initial Term.
- 8.3.2. After the Initial Term, SAP reserves the right to increase the fee for SAP Business One Cloud as originally set out in an Order Form or as increased per this Run Business One Cloud Model at the beginning of each Renewal Term upon three months' prior notice to Partner to the end of the Initial Term and to the end of any Renewal Term (as defined below) ("Fee Increase"). In case of a Fee Increase, Partner may terminate any affected Order Form by giving one month's prior written notice to the effective date of the Fee Increase.
- 8.3.3. The first Fee Increase must not exceed the percentage by which the Index as defined in Part 2 – Article 9 (Index) of the PartnerEdge GTCs has increased (calculated on a cumulative year-over-year basis) compared to the value of the Index as of the Order Form Effective Date. Any subsequent Fee Increase will be limited to the percentage by which the Index has increased (calculated on a cumulative year-over-year basis) compared to the value of the Index that was used as the basis for the last prior fee increase for a SAP Business One Cloud. If the Index ceases to be existent, SAP may choose to replace the Index by applying a reasonably equivalent price index as

published by any governmental agency or non-partner agency ("Replacement Index"). SAP will inform Partner of a change to a Replacement Index in writing. Partner may terminate any affected Order Form by giving one month's prior notice to the effective date of a Fee Increase based on a Replacement Index.

8.3.4. Not raising any fee for SAP Business One Cloud in a given year is not a waiver of SAP's right to do so.

Article 9 Tax

9.1 Each Party will be responsible for the payment of its own taxes.

9.2 Fees and other charges described in this Agreement do not include Taxes, now or hereinafter levied all of which shall be for Partner's account with the exception of income or corporation taxes attributable to SAP. SAP and Partner agree to comply with the applicable Tax law in force for the duration of the Agreement. Any applicable direct pay permits or valid tax-exempt certificates must be provided to SAP prior to the execution of this Agreement. If SAP is required to pay Taxes, Partner shall reimburse SAP for such amounts.

9.3 Notwithstanding the above, if the Partner is legally required to deduct withholding/any other type of taxes from any payment which is due to SAP, Partner must promptly notify SAP at time of receiving invoice or when it becomes aware of such requirement, whichever is earlier and provide SAP with evidence of receipt by the relevant tax authority of any sum that Partner has deducted as withholding tax / any other type of taxes and such other information or documents as SAP may reasonably require for purposes of obtaining any available tax credit. Should the Partner, notwithstanding formal written demand to it by SAP, fail to furnish to SAP such receipt within a reasonable period for any reason other than the obvious delay of the issuing authority, then the Partner shall be liable to pay to SAP the amount so deducted upon demand. Partner hereby agrees to reimburse SAP for any taxes and tax related costs, administrative fees and penalties paid or payable by SAP as a result of Partner's non-compliance in regard to this Section or delay with its responsibilities herein.9.4 Partner must communicate to SAP its VAT or GST identification number(s) attributed by the country where Partner has established its business. SAP shall consider the SAP Business One Cloud resold or provided under or in connection with this Agreement to be for Partner's business operations and provided to the location(s) of the Partner in accordance with the provided VAT or GST identification number(s). If any such tax or duty has to be withheld or deducted from any payment under or in connection with any part of this Agreement, Partner must increase payment under or in connection with any part of this Agreement by such amount to ensure that after such withholding or deduction, SAP has received an amount equal to the payment otherwise required. Any applicable direct pay permits or valid tax-exempt certificates must be provided to SAP prior to the execution of the Run SAP Business One Cloud Schedule.

Article 10 End User Agreements

10.1. To give effect to the obligations, limitations and liabilities included in this Agreement, Partner agrees that prior to granting End User access to the Subscription Services, Partner will enter into an agreement for Subscription Services with End User that includes the following:

- 10.1.1. for the term of the Order Form, End User is granted a non-exclusive license to Use SAP Business One Cloud hosted in the Data Centers via remote access (internet or private network) and Documentation in both cases for End User's internal business operations;
- 10.1.2. an obligation on the End User to treat SAP's Confidential Information in a manner which is consistent with the rights and restrictions granted by SAP to Partner under this Agreement, which obligation may be satisfied by a valid and enforceable provision that imposes such an obligation on the End User which corresponds to the content of the obligations imposed upon Partner by SAP provided that such provision is at least as protective as the rights and restrictions set forth in this Agreement,
- 10.1.3. a provision according to which SAP shall be entitled to claim damages as a third-party beneficiary in case of an infringement of SAP's intellectual property rights by End Users; and
- 10.1.4. a provision according to which End User (a) consents in its own name and (b) agrees to provide any consent needed from individuals working for End User to ensure that SAP can conduct audit(s) in accordance with Article 5 no 4 (Audit) in compliance with applicable data protection/ privacy laws.

10.2. SAP recommends Partner to include the following into its agreements with End User:

- 10.2.1. a statement with respect to limitations on SAP Business One Cloud warranties, indemnities and liability which is at least as restrictive as the limitations on SAP's product warranties, indemnities and liability under the Agreement; and
- 10.2.2. a provision according to which End User shall be entitled to request from Partner - subject to reasonable conditions and reasonable intervals - electronic copies of all data of End User stored by Partner for the purpose of providing Subscription Services, including, but not limited to all data related to End User's customers and business transactions.

10.3. If requested by SAP, Partner will represent and warrant to SAP that Partner has entered into such a Subscription Services agreement with an End User.

Article 11 Support Services

SAP Business One Cloud is subject to a shared Support Services model. The scope of the Support Services provided by SAP and the obligations of SAP and Partner are described in "SAP PartnerEdge Terms on Conditions for VAR Delivered Support for SAP Business One", version Egypt, found at <https://www.sap.com/about/agreements/leveled-partner-agreements.html?tag=agreements:leveled-partner-agreements-silver-gold-platinum/sell-partner> ("Support Annex"). The following sections of the Support Annex shall not apply to the Run Business One Cloud Model: PART 1 – General Terms and Conditions Articles 1, 3 through 9 except for Article 3 no. 2, Article 4 no. 4 and Article 5 no. 4. Furthermore, for the purposes of this Run Business One Cloud Model, all references to the Sell On Premise Model and/or the Sell on Premise Schedule in the Support Annex shall be references to this Run Business One Cloud Model and/or the Run Cloud Schedule.

Article 12 Term and Termination of Order Forms

12.1. Term of Order Form. The subscription term for a SAP Business One Cloud Order Form comes into effect as of the Order Form Effective Date, unless otherwise set forth in the Order Form, and runs until the last day of the subscription term that Partner originally committed itself to as set out in the Order Form ("Initial Term"). After the Initial Term, the subscription term for the relevant Cloud Service is automatically extended for subsequent periods of one (1) year, unless otherwise set forth in an Order Form (each a "Renewal Term"), except as set forth in this Article 12.

- 12.2. Termination for convenience. Either Party may terminate an Order Form as a whole or in part for convenience with ninety (90) days' prior written notice (email acceptable) to the end of the Initial Term or any Renewal Term of the Order Form.
- 12.3. Termination in case of End User Insolvency. Partner may terminate any or all Order Forms relating to an End User with thirty (30) days' prior written notice (email acceptable) if the relevant End User fails to meet its payment obligations toward the Partner due to Insolvency Proceedings taken by or against the End User. Such right to terminate will be contingent upon Partner having provided evidence for Insolvency Proceedings taken by or against the relevant End User and SAP having confirmed, in SAP's reasonable discretion, that the evidence provided by the Partner is satisfactory. SAP will provide the confirmation or a request for further evidence without undue delay.
- 12.4. Termination for good cause. Any affected Order Form may be terminated by the non-breaching Party immediately upon written notice to the other Party in the following cases:
- 12.4.1. Non-Payment. Partner does not pay on the due date any amount payable to SAP under or in connection with an Order Form at the place at and in the currency in which it is expressed to be payable unless payment is made within thirty days of the due date.
 - 12.4.2. Breach of material provisions. A Party does not comply with the following material provisions: Part 1 – Article 2 (Confidentiality), Part 1 – Article 13 (Export Regulations), Part 1 – Article 15 (Compliance Obligations) (in particular, if Partner fails to comply with the SAP's Partner Code of Conduct) and Part 2 - Article 4 (Reservation of title, rights and interest) of the PartnerEdge GTCs.
 - 12.4.3. Material breach of other provisions. A Party's material breach of any provision of any part of this Agreement other than those referred to in Article 11 no. 4a) (Non-Payment) or 4b) (Breach of material provisions), unless the breaching Party has cured such breach within thirty days of the other Party giving notice.
- 12.5. Consequence of Termination.
- 12.5.1. Termination by SAP in accordance with Article 12.4 (Termination for good cause) will not relieve Partner from the obligation to pay fees that remain unpaid, including, without limitation, any fees for the rest of the Initial Term or any Renewal Term for any Order Form.
 - 12.5.2. If all Order Forms relating to an End User are terminated, rescinded or ended in any other way or if SAP terminates an Order Form per Article 12.4 (Termination for good cause), SAP will have the right (depending on End User's choice) to recommend to End User other partners or third parties for the provision of SAP Business One Cloud.

Article 13 Term and Termination of this Run Business One Cloud Model

- 13.1. Term. This Run Business One Cloud Model comes into effect as of the Effective Date defined in the Run Cloud Schedule and remains in full force and effect until and including 31 December of the same year. Thereafter its term is automatically extended for subsequent periods of one (1) year.
- 13.2. Termination for convenience. Either Party may terminate this Run Business One Cloud Model for convenience with three (3) months' prior written notice to 31 December of each year.
- 13.3. Termination for non-compliance with Program Requirements. SAP may terminate this Run Business One Cloud Model with three (3) months' prior written notice if Partner:
- 13.3.1. did not meet all the Program Requirements for the first time within six months after the Effective Date defined in the Run Cloud Schedule; or
 - 13.3.2. does not comply with any of the Program Requirements excluding the Program Fee for which the termination periods set out in Article 10 (Termination for good cause) no. 1a) and no. 2a) of Part 1 of the PartnerEdge GTCs apply.

Article 14 Model-specific Effect of Termination

- 14.1. General Consequence. If this Run Business One Cloud Model is terminated, rescinded or ends in any other way, Partner's right to resell SAP Business Cloud to End Users located in the Territory under this Run SAP Business One Cloud Model as set out in Article 2 (Engagement Model) immediately ends.
- 14.2. Termination for convenience. If this SAP Business One Cloud Model is terminated for convenience, those Order Forms that were still valid at the point in time this Run SAP Business One Cloud Model is terminated for convenience will, unless Partner notifies SAP otherwise in writing, not automatically terminate but will remain in place for the remainder of their then current terms. However, the Order Forms will not renew for another Renewal Term after the termination of the Run SAP Business One Cloud model has taken effect. The terms of this Run Business One Cloud Model and any other part of this Agreement will continue to apply to such Order Forms.
- 14.3. Termination for good cause. Termination of this Run SAP Business One Cloud Model by SAP in accordance with Article 10 (Termination for good cause) of Part 1 of the PartnerEdge GTCs will not relieve Partner from the obligation to pay fees that remain unpaid, including, without limitation, any fees for the rest of the Initial Term or any Renewal Term for any Order Form.

Article 15 Survival

Article 12.5 (Consequence of Termination) and Article 14.3 (Termination for good cause) will survive termination of this Run Business One Cloud Model.
