3. MINIMUM TERMS; ENFORCEMENT OF RIGHTS

- 3.1. **Minimum Terms.** Each Customer having accessed to the Cloud Service must have executed an End User Agreement. The End User Agreement must be binding on Customers under applicable laws and regulations in the country in which Partner is providing access to the Bundled Service. The End User Agreement must contain terms not materially less protective of SAP than the Agreement including without limitation the terms required under this Section 3.1, the applicable Order Form, and the Supplement. The Minimum Terms will include Partner's rights to perform audits on Customer's usage of the SAP Materials. Partner will not make any representations or warranties regarding the functionality or performance of the SAP Service that conflict with the Agreement. The End User Agreement for Cloud Service will grant SAP and its Affiliates and subcontractors a non-exclusive right to process and use Data to provide and support the Cloud Service as set forth in the Agreement.
- 3.2. **Enforcement of Rights.** If any third party is accessing, marketing or, selling, the Cloud Service without authorization, Partner will cooperate with SAP in enforcement and protection of SAP's rights. 4. MODIFICATIONS

- 4.1. **Scope.** As the Cloud Service evolves, SAP may improve or modify the Cloud Service (including support services, maintenance windows and major upgrade windows). This includes the option to remove functionality from the Cloud Service where SAP either provides a functional equivalent or where this does not materially reduce key functionality of the Cloud Service. Functionality beyond the initial scope of the Cloud Service may be subject to additional terms and use of such additional functionality shall be subject to those terms.
- 4.2. **Modification Notices.** SAP shall inform Partner of modifications to the Cloud Service with an adequate period in advance. SAP shall provide Partner one month's advance notice before changing its maintenance and major upgrade windows and support services.
- 4.3. **Notice Period.** Where in justified cases SAP removes functionality from the Cloud Service without providing a functional equivalent, SAP shall provide Partner six months' advance notice.
- 4.4. **Customer Termination.** If a modification materially degrades the overall functionality of the affected Cloud Service, Partner may terminate its subscription to the affected Cloud Service by providing written notice to SAP within one month of SAP's applicable notice. If SAP does not receive timely notice, Partner is deemed to have accepted the modification.

5. ORDERS, PAYMENT AND TAXES

- 5.1. **Independent Pricing.** Partner will independently establish the subscription price of the Bundled Service for its Customers.
- 5.2. **Order.** Partner will submit an Order Form or Service Schedule to order any subscription for a Cloud Service. The Order Form or Service Schedule will include such information as required by SAP for Cloud Service subscriptions. Partner will order Cloud Service from SAP using and filling out completely such forms and minimum order requirements as SAP may prescribe from time to time and must comply with any then-current order process for the specific Cloud Service. Where applicable, Partner agrees to use the electronic means provided by SAP for placing orders.
- 5.3. **Rejection or Suspension of Order.** SAP reserves the right to reject an Order Form or Service Schedule in its sole and reasonable discretion, if Partner is in violation of this Cloud GTC or the Agreement. If Partner fails to make its payment on the due date, and in addition to any other available remedies, SAP may suspend Partner's rights under the Agreement, until payment is made. Partner cannot withhold, reduce or set-off fees owed nor reduce Usage Metrics during the Subscription Term, regardless of any termination, nonpayment, or other conduct of its Customer. All orders under any Order Form or Service Schedule are non-cancellable and fees are non-refundable.
- 5.4. **Taxes.** Partner and SAP will comply with all applicable tax laws and regulations. All amounts payable by Partner to Licensor do not include, service, use, property, excise, service, customs duties, value added or similar transaction taxes ("Tax(es)") now or hereafter levied. Partner will bear such taxes with the exception of income or corporation taxes attributable to SAP. If Partner is required to withhold income or corporation tax or a similar tax from any payment to SAP under this Agreement, Partner will be entitled to withhold or deduct such tax from the gross amount to be paid. However, Partner will reduce any such withholding tax payable to the lowest possible rate subject to compliance with all applicable laws and double taxation treaties. Partner will in the case of any withholding of tax provide SAP a receipt from the relevant authority to which such withholding tax has been paid and all other information and documents in order to enable SAP to apply for a tax credit against its income tax. Should the Partner fail to furnish SAP such receipt within a reasonable period, Partner will be liable to pay SAP the amount so deducted upon demand.
- 5.5. **Payment; Currency.** Any fees not paid when due shall accrue interest at the maximum legal rate. Purchase orders are for administrative convenience only. SAP may issue an invoice and collect payment without a corresponding purchase order. Partner will pay the currency as stated in the Order Form or Service Schedule. The exchange rate for currency conversion will be based on the official fixing of the European Central bank at the date of invoice.

Financial records that relate to the subject matter of the audit must be readily available for inspection during audits by SAP or its expert. Partner agrees to provide appropriate workspace for the expert.
- f) The expert will be bound in writing to confidentiality for the benefit of SAP and the Partner. The expert will undertake not to disclose information to SAP, except for the purpose of providing a report of the audit and, in case of a breach of any part of this Agreement, any information establishing such a breach.
- g) Partner's Confidential Information disclosed during the audit will not be used by SAP for any purpose other than to verify and prove if a breach of any part of this Agreement has occurred.
- h) Partner must include audit terms with its agreements with any third party used by Partner in connection with its sales and marketing activities under this Agreement (hereinafter "Intermediary/ies") which are materially as protective as the terms in this Section 6. Furthermore, Partner must make SAP a third-party beneficiary to such audit terms with the right to enforce such provisions directly against the Intermediary at SAP's sole discretion.
