Partner acknowledges and accepts that the Cloud Service is provisioned at the location outside of mainland China, by non-Chinese entities, and it is solely Partner's obligation to ensure use of the Bundled Service complies with Chinese laws. Modifications may include optional new features for the Cloud Service, which Partner and its Customer may use subject to the then-current Supplement.

(b) If Partner establishes that a modification is not solely an enhancement and materially reduces the Cloud Service, Partner may terminate its subscriptions to the affected Cloud Service by providing written notice to SAP within thirty days after receipt of SAP's informational notice.

5. ORDERS, PAYMENT AND TAXES

5.1 Fees and Payment. Partner will pay fees as stated in the Order Form and the Service Schedule. After prior written notice, SAP may suspend Partner's and its Customers' use of the Cloud Service until payment is made. This also applies in case SAP suspends access to the Cloud Service for a particular Customer for breach of the Minimum Terms. All Order Forms and Service Schedules are non-cancellable and fees are non-refundable.

5.2 Orders. Partner will submit a Service Schedule to order any subscription for a Cloud Service, and any applicable Customer DPA in accordance with Section 13 of this GTC. The Service Schedule will include such information as required by SAP for Cloud Service subscriptions. SAP reserves the right to reject a Service Schedule and/or Customer DPA in its sole and reasonable discretion, if Partner is in violation of this Agreement.

However, Partner will reduce any such withholding tax payable to the lowest possible rate subject to compliance with all applicable laws and double taxation treaties. Partner will in the case of any withholding of tax provide SAP a receipt from the relevant authority to which such withholding tax has been paid and all other information and documents in order to enable SAP to apply for a tax credit against its income tax. Should the Partner fail to furnish SAP such receipt within a reasonable period, Partner will be liable to pay SAP the amount so deducted upon demand.

6. VERIFICATION OF USE.

During the term of this Agreement and for three (3) years thereafter, Partner will monitor Partner and Customer's use and subscription of the Cloud Service and report any use in excess of the Usage Metrics and volume. SAP may monitor use to verify compliance with Usage Metrics, volume and the Agreement. SAP may audit, at SAP's expense, the records of Partner and any other entities or persons acting on its behalf relating to Partner's activities and compliance under the Agreement. Partner will pay applicable fees for any usage in excess of the Usage Metrics plus the cost of audit. Such fees shall accrue from the date the excess use began.
