

**OEM Partner Agreement
General Terms and Conditions
("OEM GTC")**

1. DEFINITIONS

Capitalized terms are defined in the Glossary. Other capitalized terms used in the OEM GTC may be defined elsewhere in this OEM GTC or other documents that constitute the Agreement.

2. GRANT OF RIGHTS

Subject to Partner compliance with the terms and conditions of the Agreement and the Program Requirements, SAP hereby grants to Partner the following rights:

2.1. Development License.

(a) SAP grants Partner a nonexclusive, nontransferable right to use the Software in the Territory as follows ("OEM Development License"), provided that Partner pays the applicable OEM Program fee as described in the Order Form:

- (i) right to Use the number of Software licenses as reasonably provided by SAP to Partner for demonstration, evaluation and internal testing purposes solely in conjunction with Partner Solution;
- (ii) right to develop Add-Ons to the Software; and
- (iii) right to make copies of the Software or associated Documentation for such purposes.

(b) Partner (solely through their qualified personnel) will receive access to the Software described in Section 2.1(a) above. The OEM Development License granted is provided on a not for resale basis and not for productive use or preparation for productive use. Any use of the Software provided under this OEM Development Licenses shall be in accordance with the terms of the Use Terms. Partner must complete and return any OEM Development License request form as may be provided by Licensor from time to time.

(c) Evaluation License. Partner may distribute at no cost in the Territory a reasonable number of evaluation copies of the Software only for use in conjunction with Partner Solution to prospective Customers up to a maximum of 60 days (unless otherwise approved by SAP in writing), provided that such evaluation copies must not be used in production and the Software shall be destroyed or deleted at the end of the evaluation period. Partner shall provide an evaluation license agreement with every evaluation copy of the Software in compliance with the Minimum Terms.

2.2. On Premise License. SAP grants to Partner a non-exclusive and non-transferable license to reproduce, market, distribute and license the Software (including any Add-ons) and Documentation only as integrated and embedded in the Partner Solutions, to run such Customer's and its Affiliates' internal business operations (the "On-Premise License"). Permitted uses and restrictions of the Software also apply to Third Party Software excepted as stated in the Agreement.

2.3. ASP License. SAP grants to Partner a non-exclusive and non-transferable license to use the Software and Documentation to provide ASP Services to Customers only as an integrated part of the Partner Solution ("ASP License"). If any SAP client software is required to be used with the Software, SAP grants to Partner the right to reproduce, distribute and license such client software to the same extent as the Software under an On Premise License, provided that: (i) Customers will only be permitted to use the client software to access the ASP Services, and (ii) the Customer will not be granted general development rights to the Software.

2.4. Distribution through Affiliates, Resellers and Distributors. SAP grants to Partner the non-exclusive and non-transferable right to authorize its Affiliates, distributors and/or resellers to further distribute and license the Bundled Solution under an On-Premise License to the same extent and scope as that applied to Partner, provided that Partner will ensure that anyone it authorizes to distribute or resell the Software does so only in compliance with, and pursuant to written terms at least as protective of SAP as, the terms of the Agreement. In case of an ASP License, the same applies as above, except that the Software may not be distributed by Partner to any of its resellers or distributors.

2.5. Bundled Solution. The Use of the Software is subject to the following additional restrictions.

(a) **Restricted License.** The Software may only be used with the Partner Solution to enable its performance, with data access limited to data created by the Partner Solution or data processed by the Partner Solution that is necessary to enable the functionalities of the Partner Solution (referred to as a "Restricted License"). Partner agrees that Partner Solution must add significant and primary additional functionalities to the

Software in order to qualify as Partner Solution. Partner may only distribute or provide access to a Software release for as long as such Software release is under Mainstream Maintenance.

- (b) **Bundled Solution Review.** The Bundled Solution must be reviewed and approved by SAP in advance in accordance with SAP's standard practices before Partner may promote or make it available to its Customers or third parties. Partner agrees to provide such information about the Bundled Solution as reasonably requested by SAP. SAP may deny or withhold approval in its sole discretion. SAP's approval of the Bundled Solution is not, and will not be construed or represented by Partner to any third party to be a verification of the Bundled Solution functionality or any support, preference, warranty or endorsement of such by SAP in any way.

2.6. Minimum Terms. Each Customer having access to the Software must have executed an End User Agreement. The End User Agreement must be binding on Customers under applicable laws and regulations in the country in which Partner is providing access to the Bundled Solution. The End User Agreement must contain terms not materially less protective of SAP than the Agreement including without limitation the terms required under Section 2.5(a) and the Use Terms. The Minimum Terms will include Partner's rights to perform audits on Customer's usage of the SAP Materials. Partner will not make any representations or warranties regarding the functionality or performance of the SAP Solution that conflict with the Agreement.

2.7. Authorized Users.

- (a) **Authorized Users.** Partner and Customers must be appropriately licensed as stated in the Use Terms for any individuals that Use the Software. Use may occur by way of an interface delivered with or as a part of the Software, a Partner, Customer or third-party interface, or another intermediary system. Customers may permit Business Partners to Use the Software only through screen access, solely in support of Customer's permitted Use, and not to run any of Business Partners' business operations.
- (b) **Service Providers.** For Software licensed to Customers under an On Premise License, Customer may permit service providers to access the Software only to assist Customer with its permitted Use of the Software. For Partner's Use of the Software under an ASP License, Partner may permit service providers to access the Software only to assist Partner with its permitted Use of the Software. Service providers must enter into a written agreement with Customer or Partner, as applicable, agreeing to comply with the terms of the Agreement. Service providers cannot Use the Software to run their own business, or operate or provide processing services to any third party. Partner or Customer, as applicable, is responsible for any breach of the Agreement caused by any individuals using the Software or SAP Materials or SAP Confidential Information.

2.8. Acceptable Use Policy.

With respect to the Software and other SAP Materials, Partner will not:

- (a) disassemble, decompile, reverse-engineer, copy, translate, reverse engineer or make derivative works,
- (b) except as expressly authorized under the Agreement, permit any Customer or third party to:
 - (i) provide services to third parties (such as service bureau, business process outsourcing or training);
 - (ii) (ii) distribute or publish Software keycodes.
- (c) use software components other than as intended and as specifically identified in the Order Form, even if it is technically possible for Partner to otherwise access such components;
- (d) transmit any content or data that is unlawful or infringes any Intellectual Property Rights; or
- (e) circumvent or endanger the operation or security of the Software and other SAP Materials.

2.9. Partner must not create or attempt to create the source code from the object code of the Software or other SAP Materials unless such action is indispensable in order to obtain information necessary to achieve interoperability of the Software with an independently created computer program and Partner has not been provided such information, despite a written request, within a reasonable period of time. Information obtained through such action may not be used for purposes other than to achieve interoperability, and may not be given to third parties, unless this is necessary to establish interoperability, and in particular such information is not to be used for the development, creation or marketing of programs similar to the Software. If Partner wishes to exercise any right to reverse engineer to ensure interoperability in accordance with applicable law, Partner must first provide written notice to SAP and permit SAP, at its option, to make an offer to provide information and assistance reasonably required to ensure interoperability of the Software with other products for a fee to be mutually agreed upon (if any).

2.10. Installation. Except as expressly permitted in the Agreement, Partner may permit Customer to install the Software under an On Premise License only on compatible hardware located at Customer's or its Affiliates' facilities and in their direct possession.

2.11. Third Party Software.

Agreement terms relative to "Software" apply to Third Party Software except:

- (a) Partner will not make Modifications and/or Add-ons to Third Party Software, and
- (b) as otherwise stated in the Use Terms.

2.12. Delegation.

Partner may delegate the performance of the Partner's duties to suitably qualified personnel of an Affiliate. Notwithstanding such delegation by the Partner of its duties, Partner will remain directly accountable to SAP. Partner's Affiliate will not be entitled to hold itself out to be an authorized SAP partner or having any other direct relationship to SAP.

3. MODIFICATIONS AND ADD-ONS

3.1. Modifications.

Except for Add-ons, Partner may not Modify, adapt, enhance, localize, translate or make derivatives of the Software or SAP Materials. SAP retains all right, title, and interest to all parts of the Software and SAP Materials, and any derivatives thereof, that are included in all Modifications and Add-Ons.

3.2. Add-ons.

- (a) Partner may make Add-ons to the Software in furtherance of its permitted use under the Agreement. Partner may distribute or sublicense Add-ons with the Software only to the same extent as that applied to Partner's grant of the Software set forth herein. All Add-ons developed by SAP or its Affiliates (either independently or jointly with Partner) and all rights associated therewith are the exclusive property of SAP and its Affiliates. Partner agrees to execute those documents reasonably necessary to secure SAP or its Affiliates' rights in the foregoing. All Add-ons developed by or on behalf of Partner without SAP or its Affiliates' participation ("Partner Add-on"), and all rights associated therewith, are the exclusive property of Partner subject to SAP's rights in and to the Software and SAP Materials.
- (b) Any Add-on to the Software developed by Partner must not (and subject to other limitations set forth herein): enable the bypassing or circumventing any of the restrictions set forth in the Agreement and/or provide Customers with access to the Software to which Customers are not directly licensed; nor unreasonably impair, degrade or reduce the performance or security of the Software; nor disclose any SAP Confidential Information.

4. SUPPORT

4.1. Mutual Obligations. SAP and Partner will fulfill its respective obligations in accordance with the SAP's then-current SAP support offering set forth in the SAP support schedule that is incorporated in the Order Form. SAP will only provide SAP Support if Partner has paid the applicable SAP Support fee.

4.2. No Support to Customers. SAP has no obligations to provide any SAP Support to Customers directly. Partner will be responsible for providing all support and maintenance services for the Software to Customers directly.

5. DELIVERY.

SAP will deliver the Software and SAP Support by making it available for electronic download through the SAP Software Download Center (<https://support.sap.com/en/my-support/software-downloads.html>) to Partner. Risk of loss passes at the time of such electronic delivery. Partner agrees not to request any physical delivery of Software or SAP Support and should it occur then any such delivery will be rejected by Partner. Partner agrees and understands that the calculation of Taxes may be affected by the delivery method and delivery location of the Software and corresponding SAP Support.

6. REFUND.

For termination by Partner under Sections 13.2(b) and 14.1(c), Partner will be entitled to a refund of the license fees paid for the affected Software less an appropriate amount covering the period of actual use of the Software by Partner and its Customers.

7. ORDERS, PAYMENT AND TAXES

7.1. Orders, Fees and Payment.

- (a) Partner will order the SAP Solution according to SAP's standard procedures. Partner will pay fees in amount and currency as stated in the Order Form. Partner will pay to SAP all fees due within thirty days of date of invoice. SAP may provide invoices to an email address provided by Partner. Unpaid fees will accrue interest at the maximum legal rate. Partner purchase orders are for administrative convenience and not a condition of payment. Payment is not dependent upon completion of any implementation or other services, whether provided by Partner, SAP or their respective partners.
- (b) Partner agrees to pay to SAP the annual program fee(s) as set out in the Order Form ("**Program Fee**") and must be paid by the Partner annually in advance.
- (c) If Partner fails to make its payment on the due date, SAP may suspend Partner's rights under the Agreement, until payment is made. All orders under the Agreement and any Order Form are non-cancellable and fees are non-refundable.
- (d) If SAP agrees to Partner's request to be invoiced in a different currency other than the currency stated in an Order Form, the exchange rate will be based on the official fixing of the European Central Bank at the date of invoice.
- (e) Partner will independently establish the price of the Bundled Solution for its Customers.
- (f) SAP reserves the right to suspend Partner's rights under the Agreement in its sole and reasonable discretion, if Partner is in violation of the Agreement.
- (g) Partner cannot withhold, reduce or set-off fees owed nor reduce license volume of any license, regardless of any termination, nonpayment, or other conduct of its Customers.

7.2. Taxes.

Partner and SAP will comply with all applicable tax laws and regulations. All amounts payable by Partner to SAP do not include, service, use, property, excise, customs duties, value added or similar transaction taxes ("Tax(es)") now or hereafter levied. Partner will bear such taxes with the exception of income or corporation taxes attributable to SAP. If Partner is required to withhold income or corporation tax or a similar tax from any payment to SAP under this Agreement, Partner will be entitled to withhold or deduct such tax from the gross amount to be paid. However, Partner will reduce any such withholding tax payable to the lowest possible rate subject to compliance with all applicable laws and double taxation treaties. Partner will in the case of any withholding of tax provide SAP a receipt from the relevant authority to which such withholding tax has been paid and all other information and documents in order to enable SAP to apply for a tax credit against its income tax. Should the Partner fail to furnish SAP such receipt within a reasonable period, Partner will be liable to pay SAP the amount so deducted upon demand.

7.3. Payment Reports.

Within twenty (20) days after the close of each calendar quarter, Partner will deliver to SAP a report ("Payment Report") which will provide all information reasonably required by SAP identifying each Customer by a unique customer number for computation, customer name (no abbreviations), customer address (street, city, postal code, country), group (if any), and/or confirmation of the fees, if any, due or credited to Licensor for the period being reported, including without limitation: (i) license information (material code/software description, license quantity, license metric, license term for non-perpetual licenses, and associated license or subscription fee due SAP), and (ii) SAP support fees, associated support rate and indicating whether it is first year support or a renewal, and associated license fee. The payment report shall be submitted to SAP even if no license and support fee is due. Partner will submit the payment report electronically via a reporting tool made available by SAP to Partner. SAP will inform in writing Partner in case of change to the reporting format and Partner shall submit its payment reports under such new reporting format for all future quarterly reporting periods. Partner agrees that the Payment Report is binding on Partner once it is submitted to SAP and Partner may not withdraw, modify or cancel any orders set forth in the Payment Report.

8. AUDIT.

SAP and Partner agree to the following audit terms:

- (a) SAP shall have the right to once annually conduct an audit to verify the compliance of (i) Partner, and/or (ii) any of its Affiliates involved in the performance of obligations under any part of the Agreement, with the terms of the Agreement, in particular Partner's compliance obligations as set forth in Section 12 below.

Notwithstanding foregoing, in the event SAP reasonably believes that a breach of the terms of this Agreement, in particular the compliance obligations set forth in Section 12 below, has occurred or will most likely occur, SAP shall have the right to perform an audit.

- (b) The audit will be conducted by SAP or its nominated independent expert. By choosing the expert, SAP will take into account Partner's legitimate business interests. SAP will bear the costs of the audit unless the expert establishes a breach by the Partner in which case Partner must bear the costs.
- (c) SAP will provide one (1) week advance notice of an audit unless a) SAP reasonably believes that evidence to be reviewed will be compromised or b) required by investigating authorities.
- (d) The audit will take place during normal business hours and SAP will instruct its expert to conduct the audit in such a manner that it will not unreasonably interfere with Partner's business operations.
- (e) Partner must make full disclosure to the expert, and ensure that (i) Partner and its Affiliates involved in the performance of obligations under any part of this Agreement and any of (ii) Partner's Representatives cooperate fully and provide information, grant viewing access to all necessary and useful documents and permit the making of copies of them. Financial records that relate to the subject matter of the audit must be readily available for inspection during audits by SAP or its expert. Partner also agrees to make its employees, officers, and directors involved in the performance of obligations under this Agreement available for meetings and interviews with SAP and/or its expert for the audit. Partner agrees to provide appropriate workspace for the expert.
- (f) The expert will be bound in writing to confidentiality for the benefit of SAP and the Partner. The expert will undertake not to disclose information to SAP, except for the purpose of providing a report of the audit and, in case of a breach of any part of this Agreement, any information establishing such a breach.
- (g) Partner's Confidential Information disclosed during the audit will not be used by SAP for any purpose other than to verify and prove if a breach of any part of this Agreement has occurred.
- (h) Partner must include audit terms with its agreements with any third party used by Partner in connection with its sales and marketing activities under this Agreement (hereinafter "Intermediary/ies") which are materially as protective as the terms in this Section 8. Furthermore, Partner must make SAP a third-party beneficiary to such audit terms with the right to enforce such provisions directly against the Intermediary at SAP's sole discretion. Partner will use best commercially reasonable efforts to cooperate with SAP in enforcement of the audit terms in its agreements with any such third party.
- (i) SAP reserves the right to suspend new business with the Partner in the event of a lack of reasonable and/or timely cooperation by Partner and its representatives in case of an audit. Furthermore, SAP may terminate the Agreement in accordance with Section 10.1 (Termination) below in case Partner does not cooperate with SAP during an audit as outlined in this Section 8.

9. INTELLECTUAL PROPERTY AND CONFIDENTIALITY

9.1. SAP Ownership.

SAP, SAP SE, their Affiliates, or licensors own all Intellectual Property Rights in and related to the SAP Solution, SAP Materials, Documentation, Modifications, design contributions, related knowledge or processes, and any derivative works of them conceived or created by SAP (collectively, "SAP IP"). Partner will not remove, delete or alter any Intellectual Property Rights notices appearing on the SAP Materials.

9.2. Partner Ownership.

Subject to SAP's underlying Intellectual Property Rights as described in Section 9.1, Partner owns all Intellectual Property Rights in and related to the Partner Product, design contributions, related knowledge or processes, and any derivative works of them conceived or created by Partner ("Partner IP"). All rights to the Partner IP not expressly granted to SAP are reserved by Partner.

9.3. Non-Assertion of Rights.

Partner covenants, on behalf of itself and its successors and assigns, not to assert against SAP, SAP SE, their Affiliates or licensors, or their resellers, distributors, suppliers, commercial partners and customers, any rights in any Modifications developed by or on behalf of Partner or Partner Add-ons, or any other functionality of the Software accessed by such Modification developed by or on behalf of Partner or Partner Add-on, or any claims of any rights, in any Software or SAP Materials.

9.4. SAP Partner Logo; Trademarks

- (a) Subject to Partner's compliance with the Program Requirements, SAP grants to Partner a revocable, non-exclusive, non-sublicensable, non-transferable license to use the SAP partner logo ("SAP Partner Logo") as set forth in the SAP PartnerEdge Branding and Logo Usage Guideline for Partners made available to Partner on the SAP PartnerEdge partner dedicated website (the "Branding Guide"). No other license to any other Trademark is provided by SAP under this Agreement. Upon SAP's request, Partner will provide sample uses of the SAP Partner Logo.

- (c) Partner agrees not to register any Trademark (in whole or in part), or any mark confusingly similar to a Trademark. Partner will not contest the validity of the SAP Partner Logo. Partner will reasonably cooperate with SAP, at SAP's expense, in the defense and protection of the SAP Partner Logo. Partner acknowledges the value of the goodwill in the Trademarks, including the SAP Partner Logo, and that SAP is the exclusive beneficiary of such goodwill.

9.5. Confidential Information.

- (a) Use of Confidential Information. The receiving party will:
 - (i) Maintain all Confidential Information of the disclosing party in strict confidence, taking steps to protect the disclosing party's Confidential Information substantially similar to those steps that the receiving party takes to protect its own Confidential Information, and which shall not be less than a reasonable standard of care;
 - (ii) not disclose or reveal any Confidential Information of the disclosing party to any person other than its Representatives whose access is necessary to enable it to exercise its rights or perform its obligations under the Agreement and who are under obligations of confidentiality substantially similar to those in this Section 8.5.
 - (iii) not use or reproduce any Confidential Information of the disclosing party for any purpose outside the scope of the Agreement;
 - (iv) retain any and all confidential, internal, or proprietary notices or legends which appear on the original and on any reproductions;
- (b) Partner shall not disclose any information about the Agreement, its terms and conditions, the pricing or any other related facts to any third party. Confidential Information of either party disclosed prior to execution of the Agreement will be subject to Section 9.5.
- (c) Compelled Disclosure. The receiving party may disclose the disclosing party's Confidential Information to the extent required by law, regulation, court order or regulatory agency; provided, that the receiving party required to make such a disclosure uses reasonable efforts to give the disclosing party reasonable prior notice of such required disclosure (to the extent legally permitted) and provides reasonable assistance in contesting the required disclosure, at the request and cost of the disclosing party. The receiving party and its Representatives shall use commercially reasonable efforts to disclose only that portion of the Confidential Information which is legally requested to be disclosed and shall request that all Confidential Information that is so disclosed is accorded confidential treatment.
- (d) Exceptions. The restrictions on use or disclosure of Confidential Information will not apply to any Confidential Information that: (i) is independently developed by the receiving party without reference to the disclosing party's Confidential Information, (ii) has become generally known or available to the public through no act or omission by the receiving party, (iii) at the time of disclosure, was known to the receiving party free of confidentiality restrictions, or (iv) is lawfully acquired free of restriction by the receiving party from a third party having the right to furnish such Confidential Information, or (v) the disclosing party agrees in writing is free of confidentiality restrictions.
- (e) Publicity. Neither party will use the name of the other party in publicity activities without the prior written consent of the other, except that Partner agrees that SAP may use Partner's name in customer or partner listings or quarterly calls with its investors or, at times mutually agreeable to the parties, as part of SAP's marketing efforts (including reference calls and stories, press testimonials, site visits, SAPPHIRE participation). Partner agrees that SAP may share information on Partner with its Affiliates for marketing and other business purposes and that it has secured appropriate authorizations to share Partner employee contact information with SAP SE and its Affiliates.

- (f) Destruction and Return of Confidential Information. Upon the disclosing party's request, the receiving party shall promptly destroy or return the disclosing party's Confidential Information, including copies and reproductions of it. The obligation to destroy or return Confidential Information shall not apply:
 - (i) if legal proceedings related to the Confidential Information prohibit its return or destruction, until the proceedings are settled or a final judgment is rendered;
 - (ii) to Confidential Information held in archive or back-up systems under general systems archiving or backup policies; or
 - (iii) to Confidential Information the receiving party is legally entitled or required to retain.
- (g) Feedback. Partner may at its sole discretion and option provide SAP with Feedback. 9.6. Independent Development.

Either party has the right to independently develop software or services that would compete with the other party's software or services without the use of the other party's Confidential Information. Either party will be free to use for any purpose the Residuals resulting from access to or work with the Disclosing Party's Confidential Information. Neither party will have any obligation to limit or restrict the assignment of such persons or to pay fees or royalties for any work resulting from the use of Residuals. However, nothing in this subsection will be deemed to grant to either party a license under the other party's copyrights or patents.

9.7. Enforcement of Rights.

If any third party to whom Partner has granted rights or access with respect to any Software in accordance with the Agreement, is using, accessing, marketing or selling, the Software without, or exceeding its, authorization, Partner will cooperate with SAP in enforcement and protection of SAP's rights. At the request of SAP, if prompt enforcement and protection of SAP's rights by Partner or cooperatively with SAP is not timely or successful, then Partner will temporarily stop marketing, licensing, positioning, providing and distributing the Software to any such third party unless and until such unauthorized activity is resolved to SAP's satisfaction.

10. TERM AND TERMINATION

10.1. Termination.

A party may terminate the Agreement:

- (a) upon thirty days written notice of the other party's material breach of the Agreement, unless the breach is cured during such thirty-day period;
- (b) immediately if (i) the other party files for a petition for winding up, becomes insolvent, makes an assignment for the benefit of creditors, or an event occurs, or proceeding is taken, with respect to the other party in any jurisdiction to which it is subject that has an equivalent effect to any of the foregoing, (ii) the other party otherwise materially breaches Sections 8 or 12; or (iii) Partner (x) fails to comply with information requests required by SAP to carry out due diligence checks and any subsequent due diligence renewal requests and/or audits, or (y) meet SAP's partner due diligence requirements.

Termination will not relieve Partner from its obligation to pay fees that remain unpaid. Partner agrees that communications to its Customers or other third parties and any publications/press releases regarding such termination will be mutually agreed in writing prior to distribution.

10.2. Effect of Expiration or Termination. Upon termination of the Agreement:

- (a) Partner's right to the following immediately ends:
 - (i) hold itself out as partner of SAP;
 - (ii) right to market, distribute or license the Software or SAP Materials to any third party, including renewing any subscription-based license or service agreements with existing customers;
 - (iii) use the SAP trademarks, including, without limitation, the SAP Logos which Partner was authorize to use as set out in this OEM GTC; and
 - (iv) use of SAP's Confidential Information, Documentation and other marketing programs and other materials and all copies, reproductions, summaries, or extracts of the foregoing or based on the foregoing distributed by SAP or its Affiliates to Partner.

- (b) Confidential Information of the disclosing party will be returned, retained or destroyed as required by the Agreement or applicable law.
- (c) The parties agree that communications to Customers and any publications/press releases regarding such termination will be mutually agreed upon, in writing, prior to distribution.
- (d) Termination of the Agreement applies to all Software licensed. Except as otherwise mutually agreed by the Partner in writing, partial termination of the Agreement is not permitted with respect to any part of the Agreement.
- (e) Partner's right to provide ASP Services to new customers will immediately terminate. Subject to Partner's continuing compliance with the terms of the Agreement, Partner may continue to use its perpetual ASP Licenses to provide ASP Services to its Customers that are contracted with Partner as of the termination date of the Agreement but may not renew any additional renewal periods after such termination.
- (f) except for termination by SAP in accordance with the Agreement, Partner's rights to use any non-perpetual ASP License after the termination of the Agreement will be subject to the relevant Order Form that grants such license.
- (g) any paid-up perpetual license to the Software previously granted to a Customer under an On-Premise License will survive according to the terms of such license; and
- (h) Partner may request to receive, and SAP may agree to provide for a limited time, support services for the Software after the termination of the Agreement upon mutual agreement in writing. Such support services provided post termination will be governed by the Agreement.

10.3. Survival.

Sections 1, 3.1, 8, 9, 10.2, 11, 12, 13.4, 14.1-14.4, 15.1-15.4, 16-18 will survive the expiration or termination of the Agreement.

11. IMPORT AND EXPORT CONTROLS

11.1. Export Compliance.

- (a) SAP Confidential Information is subject to export control laws of various countries, including the laws of the United States, European Union and Germany ("Export Regulations"). Partner will not export SAP Confidential Information to countries, persons, organizations or entities if prohibited by export laws. Partner will take all precautions to ensure that any distributor, reseller and Customer permitted to distribute the Software under the Agreement complies with the Export Regulations.
- (b) Export Assistance. Partner will support SAP in obtaining any required export and import authorization and/or approval by providing such information as requested by SAP. The availability of the Software and SAP Materials may require prior export and/or import authorizations and this process may delay or prevent the delivery of Software or SAP Materials, including support services. This section also applies to any Software or support services that SAP delivers directly to the Customer on behalf of Partner.
- (c) Required Authorization. It is Partner's sole responsibility to obtain any required authorization and/or approval from the competent authorities to comply with any applicable Export Regulations with respect to the Bundled Solution.

12. PARTNER'S COMPLIANCE OBLIGATIONS

12.1. Compliance Obligations.

Partner will conduct operations in compliance with applicable laws, rules and regulations in exercising its rights and obligations under this Agreement. Laws may include but not be limited to the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act, and local anticorruption legislation that may apply. Partner undertakes that no payments or transfers of value shall be made which have the purpose or effect of public or commercial bribery, or other unlawful or improper means of influencing or obtaining business. Partner agrees that such payment of money, kickback, or anything of value shall be deemed a material breach for purposes of this Agreement. Partner will comply with SAP's Partner Code of Conduct, or its own code of conduct if comparable standards are established. Partner confirms that it is not listed by any government agency as debarred, suspended, or proposed for suspension or debarment or otherwise determined to be ineligible for government procurement programs.

12.2. Business Entertainment.

Business entertainment conducted for the fulfillment of this Agreement must be appropriate, transparent, compliant with policies of the guest's company, and absent of any appearance of an attempt to influence business decisions.

12.3. Delegation.

Partner may not assign, delegate, subcontract its obligations under this Agreement to any third party, unless expressly permitted under the Agreement or with express permission from SAP. Partner shall require all subcontractors to agree to terms substantially similar to this Section 12 in writing.

12.4. Representation.

Partner is solely responsible for making accurate and complete representations in seeking SAP's consent for any transferal or subcontracting under this Agreement. In no event shall Partner sell, resell, license, sublicense, distribute, make available, rent or lease or otherwise commercially exploit to any other third party the products and services procured from SAP for a named Customer, unless expressly permitted under the Agreement.

12.5. Conflicts of Interest.

SAP expects Partner to prevent any conflict of interest and to maintain a policy to identify and disclose potential conflicts. Partner must inform SAP's Office of Ethics and Compliance without undue delay if Partner becomes aware of any conflict of interest, or the appearance thereof. The term "conflict of interest" describes any circumstance that could cast doubt on the Partner's ability to act with objectivity regarding the rights and obligations under this Agreement.

12.6. Covered Individual

Partner affirms that none of its owners, directors, employees, and to its knowledge, third parties involved in the performance of this Agreement is a Politically Exposed Person or Government Official or a Close Family Member of a Government Official (all "Covered Individual"), (i) with the ability, or appearance of ability, to influence the performance of this Agreement or (ii) who will derive any substantial financial benefit in the contractual relationship established by this Agreement. If any of Partner's owners, directors, employees and, to its knowledge, third parties involved in the performance of this Agreement is such a Covered Individual, Partner affirms that it will disclose and fully describe any such relationship in writing to SAP and obtain from SAP written acknowledgement of such disclosure.

13. WARRANTIES AND DISCLAIMER; PARTNER REPRESENTATION

13.1. Performance Warranty.

SAP warrants that the Software will substantially conform to the specifications contained in the Documentation for six months following delivery.

13.2. Remedy.

Partner's sole and exclusive remedies and SAP's entire liability for breach of the warranty under Section 13.1 will be:

- (a) the repair or replacement of the nonconforming Software, and
- (b) if SAP fails to repair, replace or re-perform within a reasonable time, Partner may terminate its license for the affected Software. Any termination must occur within three months of SAP's failure to repair, replace or re-perform.

The remedies set forth in this Section 13.2 are conditioned upon Partner notifying SAP in writing with a specific description of the Software's nonconformance within the warranty period and SAP validates the existence of such nonconformance.

This Agreement constitutes the complete and exclusive statement of the agreement between SAP and Partner in connection with the parties' business relationship related to the subject matter of the Agreement. All previous representations, discussions, and writings (including any confidentiality agreements) are superseded by the Agreement. Each party acknowledges that in entering into the Agreement it has not relied on any representation, discussion, collateral contract or other assurance or writings except those expressly set out in the Agreement. Each party waives all rights and remedies which, but for this section, might otherwise be available to it in respect of any such representation, discussion, collateral contract or other assurance or writings. The Agreement may be modified solely in writing signed by both parties, except as expressly permitted under the Agreement. This

Agreement will prevail over terms and conditions of any Partner-issued purchase order, which will have no force and effect, even if SAP accepts or does not otherwise reject the purchase order.

- 17.4. Any change that SAP reasonably believes to be beneficial to Partner may, at SAP's discretion, become effective upon notice by SAP. Such changes include, but are not limited to, increased discounts, promotions and program enhancements. Should Partner believe a change not to be beneficial, Partner must notify SAP in writing within five days of receipt of such notice that Partner does not agree with SAP's assumption and state the reasons why the change would not be beneficial to Partner. In such case, Section 17.3 above applies.

Partner confirms that it has provided accurate and truthful Special Discount Information and documents to SAP.
- 18.2. SAP may audit the Special Discount Information in accordance with the terms of Section 8 of the GTCs. Upon SAP's request, Partner will promptly provide SAP or the expert with all relevant documentation to enable SAP to verify that the Special Discount Information was truthful and accurate. Such information may include but shall not be limited to the solution architecture and invoices, contracts, and purchase orders by and between Partner and Customer. The documentation shall enable SAP or the expert to determine the quantity of SAP licenses in the Bundled Solution licensed to the Customer.
- 18.3. In its contracts with Intermediary of the Bundled Solution, Partner must require any Intermediary to adhere to the same obligations relevant to Exceptional Discounts as outlined in Sections 18.1 and 18.2 above. SAP must be named a third-party beneficiary to such terms in a contract between Partner and any Intermediaries with the right to enforce such terms itself and independently from Partner against an Intermediary.
- 18.4. In any case where Partner is unable to provide the requested documentation because of confidentiality obligations owed to a Customer or other applicable laws, including but not limited to relevant competition laws, whether arising by written contract or applicable law, Partner will promptly provide SAP with written evidence not subject to those obligations. In addition, Partner will promptly and in writing seek the Customer's consent to waive confidentiality restrictions to permit SAP to conduct its audit as intended.
