SAP will invoice Provider quarterly in arrears (unless determined otherwise in an Order Form and/or unless Provider is notified otherwise by SAP).
- (c) All fees not paid when due shall accrue interest at the lesser of 1.5% per month or the maximum rate allowed under applicable law. After prior written notice, SAP may suspend Provider's and its Customers' use of the SAP Cloud Service until payment is made.
- (d) Provider cannot withhold, reduce or set-off fees owed nor reduce Usage Metrics during the Order Form Term, regardless of any termination, nonpayment, or other conduct of the Customer. This also applies in case SAP suspends access to the SAP Cloud Service for a particular Customer for breach of the Minimum Terms. Payments to SAP are not dependent upon completion of any implementation or other services.

5.2. FEE INCREASES

Except where agreed otherwise in the respective Order Form, the following rules apply to fee increases:

At the beginning of each Order Form Renewal Term (as defined in the Solution Exhibit), SAP may increase fees to reflect annual increases in consumer prices or costs. This increase will not exceed the greater of the percentage stated in the most recent consumer price index selected by SAP or 3.3% per annum. The increase is applied on a cumulative, year-over-year basis beginning on either the start of the preceding Order Form Term or date of last increase, whichever is later. Not raising fees is not a waiver of SAP's right to do so. SAP may increase fees if Provider elects to reduce the SAP Cloud Service, Usage Metrics or volume for any Order Form Renewal Term. Except for fee increases applied under this Section 5.2, SAP Cloud Service fees for Order Form Renewal Terms will be equal to the fees for the immediately preceding Order Form Term for the same SAP Cloud Service, Usage Metrics and volume.

5.3. ORDERS

- (a) Promptly upon execution of a Customer Agreement, Provider shall execute with SAP an Order Form for each Customer and shall submit the Order Form to SAP. Order Forms sent by Provider are non-cancellable after submission to SAP and fees are non-refundable.
- (b) SAP reserves the right to reject an Order Form in its sole and reasonable discretion, if Provider is in violation of this Agreement, or SAP reasonably believes that SAP's intellectual property rights may not be respected by the Customer.
- (c) Provider may order additional Usage Metrics during the term of a SAP Cloud Service subscription by executing an addendum or additional Order Form, as applicable, which shall then become an integral part of the original Order Form. The term of

each addendum or additional Order Form shall be coterminous with the then-current Order Form Term of the original Order Form, and all subscription fees shall be prorated accordingly. The first Order Form for a Customer and each addendum or additional Order Form shall have the same Order Form Renewal Term.

- (d) Provider acknowledges that a minimum Order Form Term of three (3) years is mandatory, unless agreed otherwise by Provider and SAP. Unless otherwise stated in the Supplemental Terms, any renewals and extensions for a specific Order Form will automatically renew for terms equal in length to the immediately preceding Order Form Term (if such term is thirty-six (36) months or less) or for one (1) year (if such term is longer than thirty-six (36) months) (“**Order Form Renewal Term**”). Order Forms renew automatically, unless Provider notifies SAP of its intention not to renew an Order Form at least one (1) month in advance of the expiration of the current Order Form Term, or SAP notifies Provider of its intention not to renew at least six (6) months prior to the expiration of the current Order Form Term.

5.4. TAXES

Fees and other charges described in this Agreement do not include Taxes, now or hereinafter levied all of which shall be for Provider’s account with the exception of income or corporation taxes attributable to SAP. SAP and Provider agree to comply with the applicable Tax law in force for the duration of the Agreement. Any applicable direct pay permits or valid tax-exempt certificates must be provided to SAP prior to the execution of this Agreement. If SAP is required to pay Taxes, Provider shall reimburse SAP for such amounts.

Notwithstanding the above, if Provider is legally required to deduct withholding/any other type of taxes from any payment which is due to SAP, Provider must promptly notify SAP at time of receiving invoice or when it becomes aware of such requirement, whichever is earlier and provide SAP with evidence of receipt by the relevant tax authority of any sum that Provider has deducted as withholding tax/ any other type of taxes and such other information or documents as SAP may reasonably require for purposes of obtaining any available tax credit. Should Provider, notwithstanding formal written demand to it by SAP, fail to furnish to SAP such receipt within a reasonable period for any reason other than the obvious delay of the issuing authority, then Provider shall be liable to pay SAP the amount so deducted upon demand.

Provider hereby agrees to reimburse SAP for any taxes and tax related costs, administrative fees and penalties paid or payable by SAP as a result of Provider’s non-compliance in regard to this Section or delay with its responsibilities herein.

SAP may audit, at SAP’s expense, the records of Provider and any other entities or persons acting on its behalf relating to Provider’s activities and compliance under the Agreement. Provider will pay applicable fees for any usage in excess of the Usage Metrics based on applicable pricing in the Order Form, plus the cost of audit. Fees accrue from the date the excess use began.
- 6.2.** SAP shall have the right to audit the activities and records of the Provider and its employees, associates, agents, subcontractors or any other person acting on its behalf.
