

**SAP Advanced Data Migration and Management by Syniti, and
SAP Advanced Data Migration and Management by Syniti, Database Storage Option
Supplemental Terms and Conditions**

This Supplement is part of an Agreement between SAP and Customer and applies solely to SAP Advanced Data Migration and Management by Syniti and SAP Advanced Data Migration and Management by Syniti, database storage option Cloud Services.

1. FEES

The Usage Metric for the Cloud Service is Gigabyte, in blocks of 1,000. "**Gigabyte**" is the amount of capacity in the Cloud Service.

2. ADDITIONAL TERMS

2.1. The Cloud Service includes 1 tenant that can be deployed for production or non-production use up to licensed capacity. A non-productive tenant may only be used for non-productive development and testing, and may not be used to process Personal Data. The DPA referenced in the Order Form does not apply to Personal Data contained in a non-productive tenant.

2.2. Customer's Cloud Service data ("**Data Store**") may be stored in either the: 1) Customer provisioned and managed Data Store (Oracle, SAP HANA® or Microsoft SQL Server), or 2) SAP Advanced Data Migration and Management by Syniti, database storage option. Customer's Data Store requirements may be obtained upon request.
