

SAP ICC Integration Scenario-

Partner Add-On Solutions for SAP Business ByDesign (ByD-based-ADDON)

PUBLIC

Introduction:

- SAP Business ByDesign offers rich enhancement capabilities, allowing partners to create different types of solutions.
- To ensure a high level of quality for all these partner solutions SAP provides partners with support throughout the entire lifecycle of the solution.
- This integration scenario is applicable for Add-On solutions of type MCS (Multi-Customer-Solution), built with the SAP Cloud Applications Studio, and running on SAP Business ByDesign.
- As a prerequisite, we highly recommend ISVs and partners who are interested to build an integration with SAP Business ByDesign first join the <u>SAP Cloud Solution Partner Program</u>, to get the necessary development and test environment, including system access.
