Answerthink, a division of The Hackett Group, is an SAP platinum partner that develops and offers qualified SAP partner solutions – industry specific software, analytics, mobility, Cloud, HANA, services, training and support. By leveraging the best practices database of The Hackett Group, Answerthink helps clients improve performance and maximize returns on investments in SAP software.

The Hackett Group (NASDAQ: HCKT) is an intellectual property-based strategic consultancy and leading enterprise benchmarking and best practices digital transformation firm to global companies, offering digital transformation including robotic process automation and enterprise cloud application implementation. Services include business transformation, enterprise analytics, working capital management and global business services. The Hackett Group also provides dedicated expertise in business strategy, operations, finance, human capital management, strategic sourcing, procurement and information technology, including its award-winning Oracle and SAP practices.

The Hackett Group has completed more than 15,000 benchmarking studies with major corporations and government agencies, including 97% of the Dow Jones Industrials, 89% of the Fortune 100, 87% of the DAX 30 and 59% of the FTSE 100. These studies drive its Best Practice Intelligence Center™ which includes the firm's benchmarking metrics, best practices repository and best practice configuration guides and process flows, which enable The Hackett Group's clients and partners to achieve world-class performance.

Founded in 1991, The Hackett Group was acquired by [Answerthink, Inc.](#) in 1997. Answerthink was renamed The Hackett Group, Inc. in 2008. The Hackett Group has global offices in the United States, Europe and Asia-Pacific and is publicly traded on the NASDAQ as [HCKT](#).
