July 29, 2020

**SAP on Google Cloud, Data2Action Virtual Summit, Building Modern Web Applications with SAPUI5, and Upcoming Community Calls**

[Subscribe to SAP Community Voice](#)

Dear Readers,

One thing you may have noticed with this new format is that there's a whole section covering [SAP Community Calls](#).

These calls cover relevant topics of interest to many in the community and are always run by topic leaders from SAP.

Be sure to take some time to review [what's coming up](#). Also, replays are always posted, so check out what you might have missed [here](#).

Regards,

Catherine LaCroix

## SAP on Google Cloud – When SAP Developers Join the Cloud

This blog post tracks the adventure that started when a team of seasoned cloud-native developers heard the SAP workload was joining the cloud. The team already had a set of established practices for cloud-native development and were ready to take the next step.
