

NTT DATA BUSINESS SOLUTIONS

it.Intelligent Enterprise Suite powered by RISE with SAP

Brings together the solutions and services you need for true business transformation – in one package. Simplifies, accelerates and delivers continuous innovation enabling process automation and optimal experiences

About Intelligent Enterprise

A digital enterprise powered by RISE with SAP, enables companies to drive business-transformation-as-a-service with embedded integration of end-to-end processes. Our solution helps run agile, integrated business processes. We help manage every part of the organization – employees, customers, products, spend, finance, and IT. With embedded analytics, we offer a 360 degree view of the business. Our IE Package/Solution is available in 3 variants as Mix Bag, Pro, Pro+ IE Suite. It enables you to become future proof with accelerated outcomes and faster time to value.
