

SAP ICC Integration Scenario

Business Technology Platform - Printing OMS Integration 1.0 (BTP-PRINT-OMS 1.0)

PUBLIC

Introduction

- ❑ The communication scenario is designed to connect third-party output management systems (OMS). OMS provide you with more refined printing functionalities.
- ❑ SAP Cloud Print Manager - Printing OMS Integration Communication scenario is a customer managed scenario to enable customer to print from SAP - Business Technology Platform to locally installed printers.
- ❑ This service enables you to integrate external applications into the BTP “Maintain Print Queues” app. You can use it to retrieve print queue items of all print queues of a specified user. The status of the print queue items can be modified according to the performed processing in the external application.

Benefits of SAP Certified Integration

Opportunity for Growth and Participation

By supporting market-leading solutions from SAP and offering integrated solutions to its customer base

May experience faster sales cycles

Certification serves as proof point for technical alignment with SAP solutions
